

Pork and Beef remain at famine prices, and BREAD is the most economical and health-giving food we can buy. But there is bread and bread. It depends on the flour. A chemical analysis will show that

ROYAL HOUSEHOLD

is richest in GLUTEN, the nutritious part of wheat, the part that makes brain and bone and tissue, like the protein of milk or eggs. Use only

ROYAL HOUSEHOLD.

WE LEAD! OTHERS FOLLOW!

Amazon Roofing

Leads the list of so-called Rubber Roofings, and leads them in all the qualities that make a perfect Roofing. It has the appearance of Rubber, feels like it and is as thoroughly waterproof, but there the resemblance ends, for AMAZON is made of roofing materials only, and affords a Roof service that no composition of rubber could possibly offer.

GENTLEMEN.—Our shelves are now replete with the choicest goods that the West of England can produce. All parts of Old England are famed for the excellence of their goods, but more especially the West, and, as regards that indescribable "thing" called style we know how, and can give full expression to that elusive quality. We please both young and old. You can have your choice of either English or American cut. Personal supervision given each order. Give us a trial and we have a customer. Thirty years' experience in the tailoring line.
