Will Turn the Govern- Ha

ment Out.

Dear Mr. Editor,-I notice the Tory apers are blaming Coaker for the eamers missing the seals

spring. What nonsense! school children are shaking their sides with laughter at the thought of men writing such stuff. This may good enough for the Plaindealer. s not good enough for us. One issu the Plaindealer is supporting the fishmen, and in another it is supporting the Government. It puts me in mind of what we, fishermen, call a cat's paw. That is little puffs of wind flitting about on the water. The Plaindealer says it can easily understand now why Coaker flooded the

norehern outports with petitions for a general election in 1912, stating that the people have to wait until 19 his game covered up and that every man with two eyes and two cars and | Ro gray matter enough under his skull to serv think at all will have found it out by ses that time. On the contrary, the peo- Har ple will see more clearly that the of present Government is increasing the tea ublic debt very largely, and the con

cvernment will stink more pungent- | ion in their nostrils. And isn't it a bitter attack on the bn-educated fishermen to declare a cruel piece of deception to ask people to sign the petitions, for it is as nuch to say, the people had not sense enough to know what they were sign-

Yes, Mr. Plaindealer, we feel ou blood boil when we think of the increased revenue and the millions the Government is borrowing, and then look at the steamer put on the Northrn winter service.

We know now where the Plaindealer is. It has got right down for the Morris Government. Morris and his party have defied the

P. U. in every way, but it will be our turn next, and the men who put e present Government in will take care to put the Morris men out. Yours, etc.,
