## AS THE CAMEL

is indispensable to the fraveller crossing the African deserts, so also is SUNLIGHT SOAP indispensable to a careful housewife. A Camel can go for several days without drinking, but a good housewife cannot afford to let a single day pass without putting SUNLIGHT SOAP to some use. The first duty of every housewife is to economise; the duty of

# SUNLIGHT SOAP

is to help the housewife to economise. The daily use of SUNLIGHT SCAP is practical economy. It does the most washing in the shortest time, with

least labour, and with no discomfort. Use a piece in your next wash, and you will be convinced as to its value.

## Marriages in Turkey.

Some Quaint Customs.

While the life of Turkish women is no longer that of female slaves to rate, the privilege of talking with the arrogant, polygamous husbands-for they have made great progress to- fate is signed and sealed. "She doe wards a more free and emancipated not have the opportunity," says Miss life during the last few years-they Elllison, "of knowing him as we Engstill seem content to adhere to vari- lishwomen know our future husbands. ple are wondering the cause of this, ous manners and customs which, in but she can at least know whether he the past, have had so much to do with will 'get on her nerves,' in which case freight and passengers on same Turkey's general deterioration. The she refuses to marry him. Judging, train.
