New Use For Radio.

Radio is being employed by the police in America cities to combat crime. Chiefs are installing broadcasting stations and receiving sets and it will not be long before every criminal will be advertised to the world as soon as his crime is discovered and reported. The new machinery will be far more efficacious than the telegraph and the telephone which were long considered as the acme of perfection. By employing radio the escape of a criminal will be made many times more difficult, and the policeman with his radio equipment will be in constant touch with all police centres. The criminals are more than being equalled in the battle of wits.

MINARD'S LINIMENT USED BY VETERINARIES.

Danger Threatens Cape Breton Collieries.

One Mine Flooded and May Never be Operated.—Permanent Militia at Scene of Trouble.—Nationalists Recapture Dundalk.—Minnesota Swept by Forest Fire.

DESTROYING COAL MINES.

SYDNEY, Aug. 17.

One mine is declared lost from flooding, and practically all the collieries in the Southern Cape Breton coal areas are in gravest danger tonight, seventy-two hours after the beginning of the Nova Scotia coal strike. The flooded mine is number 10, at the Cape Breton Coal Company's mine.

The most optimistic say it could not be dewatered in less than a year. As to the other mines the general opinion is that a great catastrophe is imminent if the pumps and safety equipment are not manned within forty-eight hours. Company officials state that already tremendous damage has been done. Officials working at the pumps have not been able to control the intake of water in the mines. Both parties

to the dispute presented an unyielding front in statements to-day. No disturbances of moment so far in the strike.

MILITIA IN CAPE BRETON.

OTTAWA, Aug. 17.

Under authority of the Militia Act and in response to further requisition from the officer commanding the district, the Department of Militia is sending five hundred additional troops to the disturbed mining areas in Nova Scotia. This will make approximately one thousand members of the permanent Militia which have been sent to the strike area, in addition to non-permanent Militia available at orders of the District Officer.

DUNDALK RECAPTURED.

BELFAST, Aug. 17.

Recapture of Dundalk by National army troops from the Irish insurgents who occupied the town a few days ago, is confirmed here, this afternoon. Hundreds of irregulars were taken prisoners.

FATAL FOREST FIRES.

DULUTH, MINN., Aug. 17.

Six known dead, hundreds homeless at least two towns wiped out and a dozen others in imminent danger, was the apparent toll to-night of a series of forest fires which swept northeastern Minnesota to-day, causing the worst conflagration since 1918, when four hundred lost their lives. Drought conditions have increased the menace to alarming proportions and to-night more than two thousand are fighting fires in various sections.

CHINESE GOVERNMENT NEAR COLLAPSE.

PEKIN, Aug. 17.

The attempt to revive popular government in China is on the verge of collapse, according to a survey of conditions brought to the attention of the foreign legations. Military leaders are openly defying the Government. Cabinet Ministers are refusing to assume the responsibilities of their posts. The Treasury is empty and civil employees being unpaid, have quit their jobs.
