

NA-DRU-CO

Toilet and Medicinal Preparations Are Compounded by Expert Chemists

Who Compounds Your Medicines?

When your physician gives you a prescription you would naturally expect it to be compounded by a chemist. If you were sure that the "right drugs" are used in your medicine, you would be satisfied.

If you did not protect yourself in this way the laws of the country would protect you for they demand that physicians' prescriptions be dispensed by physicians or qualified druggists only.

It is not equally important to know that the household remedies, such as laxatives, cough syrups and tonics, and the toilet preparations such as tooth paste, which you use so frequently, are also compounded by expert chemists.

When you use NA-DRU-CO medicinal or toilet preparations you have the positive guarantee of one of the largest wholesale drug firms in the world, the National Drug and Chemical Company of Canada, Limited, that each one has been compounded by expert chemists only.

This is just where NA-DRU-CO Cascara Laxative, NA-DRU-CO Eucalyptus, Laxative, and Calomel Cough Syrup, NA-DRU-CO Tastesless Cod Liver Oil Compound and everything else on the NA-DRU-CO list are pre-eminently better than mixture present flooding the market. They are compounded by men who know.

GOOD MATERIAL FOR A LACROSSE TEAM

All That is Necessary is For Some One to Take the Initiative

(Regina Leader)

Wanted! Someone to get the lacrosse ball rolling in Regina again.

The Dreyer and Chipman trophies of the Western Canada Lacrosse Association, now two years ago, have not been wrested from the local club and all that is necessary to get a bunch of able-bodied defenders in the field is somebody to take the initiative.

Many of the old guard are still available and several new men of ability are floating around the city anxious for the call to arms. Among the men who would undoubtedly assist in forming a first-class team are Peter Stewart, Jack Stephenson, Alex. McCarr, "Reddy" McLean, Beckett, Hetherington, Jack Martin, Dan Lee, Roy Hogarth, Jack McLeod, Dickson and Hugh Corrigan, the latter being a Winnipeg, Shamrock man, and one of the best players ever turned out in the Manitoba capital.

Some of the special features will be an Indian club drill by the employed boys' leaders' corps, pyramid building by the senior leaders' corps, the Japanese lantern maze drill will be very pretty. The program is as follows:

Dub-bell drill, employed boys' class; mat work (tumbling), school boys' class; dumb-bell drill, young men's class; wrestling bout, E. Machon vs. G. Convey; wand drill, (selected) school boys' class; boxing bout, (amateur), competitive games, relay, medicine ball, boys' classes; pyramid, schottische, senior leaders' corps; bag punching, by P. Bossenbury; Indian clubs, employed boys' leaders' corps; advanced apparatus work, senior leaders' work; Japanese lantern maze drill, final.

High Water Mark in Cigarette Quality

Some cigarette brands are as the tide of the sea in their fluctuating quality. Most smokers have had experience with brands of this sort—one package all right, the next not so good, a third distinctly "off color."

Absolute uniformity is a feature of "Black Cat" Cigarettes that has helped Stewart, Jack Stephenson, Alex. McCarr, "Reddy" McLean, Beckett, Hetherington, Jack Martin, Dan Lee, Roy Hogarth, Jack McLeod, Dickson and Hugh Corrigan, the latter being a Winnipeg, Shamrock man, and one of the best players ever turned out in the Manitoba capital.

Unvarying in their high quality, they might, in this respect be likened to a sea that is always at high tide—always at high-water mark.

This noteworthy fact enables you to form for yourself an accurate estimate as to the superior value of "Black Cats," simply by smoking one—for just as you find the first one you smoke, so will you find them all.

Football Notes

The Central Alberta Football League, in drawing up the Senior League schedule has omitted all holiday and exhibition week dates so that the counter attractions will not interfere with the schedule.

Dates have been left open for the Sons of Scotland Charity shield. The league will leave this competition open so that dates can be arranged during the season and arranged for between the clubs themselves.

The league wishes to have all the

Senior clubs intending to enter the league, to send in their applications accompanied by entrance fees not later than Monday night. Unless another club enters, this series will be thrown out, as only the college has so far entered.

Many a home has been saved from sheer dissipation and discredit by the use of Ramsay's Paints. The great harmony imparted by these colors and the reasonable cost makes everybody feel happy. Ask A. McBride & Co. to show you the colors.

Ball News From The Home Plate

Now that the big league season is on a glance at the scores in the opening games will show to a certain extent how uncertain the outcome of the season will be. Doping out the teams on the strength of last year's work outside of Pittsburg in the National and Chicago in the American league, all the favorites turned out on the losing end, and although numerous changes have been made by the different teams it still looks as if Pittsburg and Detroit will finish around the top in their respective leagues.

Yet luck is one of the most important factors in baseball, not alone in actual play, and you have the solid grounds for the explicit confidence we want you to feel in NA-DRU-CO preparations.

We are prepared to furnish to any physician or druggist in Canada, on request, a full list of the ingredients in any NA-DRU-CO article. Ask these men, who are men of standing in your community, and best qualified to tell you, all about NA-DRU-CO preparations.

If any NA-DRU-CO article you buy does not prove entirely satisfactory return it to your druggist. He has our authority to refund the full purchase price and charge it to us.

You can get any NA-DRU-CO preparation anywhere in Canada, for if your druggist should not have it in stock he can get it within two days from our nearest wholesale branch.

It looks as if Washington is far stronger this season than in the past, for it has been their fortune to finish close to the bottom for some years. This year under Manager McAleer, who has displaced Castillon, the team is expected to be a great deal better.

Chicago is a dark horse, as Duffy's little outfit of Purcell on the whole, who has already had one year's experience in the big league, is composed entirely of youngsters. Gandil at first, Zeider at second and Blackall at third, Zeider at second and Blackall at first, Zeider at second and Blackall at first, Zeider at second and Blackall at first.

The senior league will open on May 2, between Hillhurst and the Caledonians. The intermediate games will be played on Mondays and Thursdays, and the secretary was instructed to draw up this schedule.
