A Pleasant Evening.

The interior of the Congregational church school room was tastefully embellished with floral decorations last evening, the occasion being a raspberry social held under the energetic society in connection with the church ladies' Aid.

Refreshments in the shape of raspberries, lemonade and other tempting dishes were served out by the ladies during the intermission. The vocal and instrumental selections rendered were all that could be desired. The following contributed to the evening's programme: Miss Ethel Brock, recitation; Miss Mutch, solos; Miss Goudie, recitation and Miss Allen, recitation.

Cigarmakers Strike.

Seventeen of the cigarmakers employed in H. Simon's cigar factory went on strike yesterday at 4 p.m. The men, who all reside in the city and belong to the union, commenced work on Monday with the understanding, as they say, that the proprietors would do the "square thing" by them. The employees wanted to know something more definite about the rate of wages and according to their version the union was not satisfied with the offer.

The union rate for cigar making is \$7 per thousand, so the men decided to leave. They received their wages for the three days, and say they were only paid \$5 per thousand.

The Police Court.

"Have you been on a pretty good spree, McGurdy?" asked the Magistrate at the Police Court this morning, addressing Mr. McGurdy in the dock. The P. M. McGurdy protested, and was finally let off with two days.

"I remember you," said the Magistrate as Clara Williams, somewhat the worse for wear, stood up to answer on a charge of "drunk and disorderly." Williams was evidently no stranger to the court and was fined \$5 or twenty days.

Christina McLeod, an old woman about 80 years of age, clothed almost in rags and with bare feet showing through her dilapidated shoes, appeared on a charge of drunkenness. She was fined \$5 or 20 days and will be better taken care of in jail than on the streets.

Successful Sodality Social.

The beautiful grounds of Mount Hope orphanage were fully illuminated and festooned last evening. Large crowds promaded to the entrancing strains of "D. Company, I. S. C. Band, or thronged around the refreshment pavilions, where the presence of the fair lady waiters was alone sufficient to insure a good patronage regardless of the tempting viands offered.

Dancers strutting, bards also discussed street music for the dancers and many whirled through the intricate movements while others preferred to survey the gay scene from the benches throughout the grounds. The social was held under the auspices of the Young Ladies' Sodality of St. Peter's Cathedral, the proceeds going towards the magnificent new altar of the Blessed Virgin. Although the affair was a success the management decided to continue it this evening, as they feel assured the crowd would have been larger had not the showers prevented many from attending.

SOLID FACTS FOR SMOKERS.

Reasons Why S. Davis & Sons Maintain the Quality of Their Brands.

It has taken the best part of a lifetime to establish them. They have spent thousands upon thousands of dollars to introduce them.

Having obtained the confidence of the public they wish to merit a continuance of the same.

A deterioration of quality in their brands would not alone destroy the structure upon which they have spent their time, money and labor, but would result in a loss of that confidence the public have favored them with that money again spent in introducing new brands could not purchase.

Therefore, it is to be supposed that any sane business man would be so foolish as to destroy in a short time what it has taken so long to establish.
