FIRE HORSES WILL SOON BE THING OF THE PAST

Chairman Rose, of No. 3 Committee, Says Motors Necessary in London Now.

A POLICE STATION IN EAST END HALL City May Sell the Old Building and Put Up a New One.

A tour of inspection of the fire halls of the city, and an investigation into the new territory annexed to the city to discover how many more lights would be needed to light the new district properly, were made by No. 3 committee yesterday afternoon.

The fire hall No. 2, at the corner of Baiting and Chelsea Green, were found to be in good condition. A coat of paint was needed on most of them, and No. 4 required draining, but on the whole the repairs necessary are slight.

At No. 2 station in the east end, the committee may install a motor truck. To do this alterations would have to be made, and more room given to the firemen. The committee found that by altering the building somewhat, the necessary room could be obtained. Temporary quarters could be provided for the police department also. Cells were placed in the building many years ago and they are intact. With some slight changes the police could have a very comfortable station there.

The members of the committee also looked into the suggestion that this building be sold, and a more modern structure erected in the vicinity of the present hall. Some of the east end residents do not relish the idea, however. A suitable lot can be purchased within a reasonable distance of Rectory street.

Twenty Miles Around City. The dimensions of the city are rather startling when one drives about it. The aldermen travelled about 20 miles on their trip, and at that did not take the longest route. They might have added quite a few more miles had they desired to do so. West London was not gone into at all, but Knollwood Park, Pottersburg, Baiting and Chelsea Green were all visited. It was found that the new districts need many lights. In some cases there were poles, but not sufficient to furnish light to the people. Hydrants were out of the question, there being none in any of the districts. The roads were found to be in fairly good condition, little money being needed to put them in good shape.

Constipation and Headache CURED BY Burdock Blood Bitters.

Various kinds of headache exist; for example, nervous, bilious, congestive, and sick headache, headache from constipation or dyspepsia, periodical headache, etc.

In all cases of headache the treatment should be directed to remove the cause, and with the cause removed the headache vanishes for all time.

It is impossible to find a better remedy for headache of every description than is Burdock Blood Bitters, acting as it does on every organ of the body to purify, strengthen and regulate the whole system.

Miss May Bourdage, New Richmond, Ont., writes: "For years I was troubled with sick headache, and dizziness, and was also constipated. I was advised to take Burdock Blood Bitters, and I only took three bottles when I felt like a new person. I can recommend it to anyone who suffers the same as I did." Burdock Blood Bitters has been on the market for over thirty-five years, and is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

NEARLY 400 MEN AT THURSDAY NIGHT CLUB'S BANQUET

A Remarkable Assemblage Sat Down to Spread in Cronyn Memorial Church.

STRIKING WORDS OF TWO MINISTERS

Bishop Williams Pays Tribute to Rev. Mr. Norwood and Rev. Mr. Heakes, His Assistants.

Nearly four hundred men of the congregation of the Cronyn Memorial Anglican Church were entertained to a banquet by the Thursday Night Club in the schoolroom last evening. Every seat was taken, and 40 members of the Junior Branch of the Brotherhood of St. Andrew occupied the platform. The occasion was one of the most interesting in the history of the church. His Lordship Bishop Williams was present, and delivered a strong address to the men.

The arrangements were made by the rector, Rev. R. Norwood, his assistant, Rev. S. R. Heakes, William Stewart, the people's warden, and a small committee. The ladies of the church offered to assist, and as a result of the combined efforts of these energetic committees, the function could not help but be a most pronounced success.

A very delicious dinner was prepared by the committee, and served in an excellent manner by the ladies. During the evening, Tony Cortese's orchestra rendered a very fine program of music.

The Toast List. When the edibles had been disposed of, Mr. F. G. Jewell, the toastmaster, introduced the toast list. He was glad to see such a representation of the men of the congregation at the banquet. He had been a member for a great many years, and he could say truthfully that this was the finest gathering he had seen in the church in this period. It was a decided tribute to the splendid work being done by Rev. Mr. Norwood, and his assistant, Mr. Heakes. Memorial Church was very fortunate in having two such men with them, and the great work already done was but a token of the far greater work to be accomplished in the future. After the health of the King had been drunk, Lionel Shoenbom presented the greetings of the Junior branch of the Brotherhood of St. Andrew in a very clever manner.

Bishop Williams' Address. Mr. P. P. Betts, K.C., proposed the toast to "The Diocese of Huron." It was no mean diocese, indeed was one of the best, if not the best in the Dominion. It had produced many bishops and dignitaries in the church, and stood in the van of the Anglican Church.

Bishop Williams made an excellent address in reply. The gathering was the finest he had addressed in any church since coming to Canada. It was an inspiration to him, and augured well for the future.

"It is easily understood, however," said his lordship, "you have the finest team to minister to you of any church in Canada. They are doing a wonderful work, and we all rejoice in it."

Men were no longer shrinking partners in the church. The women had always done their part in church work, but the men for many many years had kept out of its activities. Now they were coming back. They were being persuaded, gradually, but surely that to belong to the Christian Church was a noble thing. The need of men in the church was evident. They were photographs of the men of tomorrow, and

Golden Wedding. Mr. and Mrs. Peter Durand Held Celebration at Drysdale.

[Special to The Advertiser.] Drysdale, Jan. 31. — The golden wedding celebration of Mr. and Mrs. Peter Durand, held at their home here recently, was attended by a number of friends and relatives from all over the district. Mrs. C. de la Franier, of Stratford, presented Mr. and Mrs. Durand with a purse of gold, and her husband presented them with several handsome pieces of furniture.

A splendid banquet was thoroughly enjoyed.

Mr. and Mrs. Durand have lived continuously on the same farm for fifty years.

The guests from outside points were: Henry Durand, Stephen, Minn.; Paul, of Forks, Minn.; Mrs. C. de la Franier, husband and children, of Stratford; Mrs. W. E. Latimer, husband and children, of Goderich; Miss Ida Durand, of Goderich, besides Celia and Peter, at home, and five brothers and sisters.

BARON ILKESTON DEAD Distinguished Member of Liberal Party in House of Lords.

[Canadian Press.] London, Jan. 21. — Baron Ilkeston, a distinguished member of the Liberal party in the House of Lords, died today, at the age of 73. Before being created a peer he was well known as Sir Walter Foster. He served as parliamentary secretary to the Local Government board from 1892 to 1895. He was by profession a physician, and was the author of numerous works on medicine, especially in connection with heart disease. He obtained the honorary degree of LL.D. in Montreal in 1897.

TO AID HOSPITAL Strathroy Players Will Turn Over a Substantial Fund.

[Special to The Advertiser.] Strathroy, Jan. 31. — The opera "Patience," or "Bunthorne's Bride," was presented for the fourth time in the Lyceum last evening. The house was packed and the play was well received. It will be definitely announced in a few days just how much will be donated to Strathroy's new hospital.

Charles Fitzpatrick has accepted a position in Stratford. Mr. Brett, of Saskatoon, is visiting friends here.

"Quite a cyclone you had down your way." "You bet it was! A regular hurricane! Say, that wind blew a biscuit my wife made right through a brick wall." "I'm not surprised. Not surprised? Then you have experienced that kind of a wind?" "No, but I have sampled your wife's biscuits."—Houston Post.

their example would have much to do in moulding the life of the future.

The Diocese of Huron. His lordship appreciated the fact that the Diocese of Huron was no mean diocese. It had produced ten bishops. The general synod was born in it, the late Mr. Imbach and Mr. Charles Jenkins, of Petrolia, being largely responsible.

Bishop Williams declared that the organization had a great field of work. It should be God-centred, and consecrated to service. The social life of the day was largely pagan. It was reminiscent of the days of the Roman Empire. The industrial system was frankly selfish.

The Christian spirit was not to be found in politics. The possibility of exerting the sovereignty of God was open to such an organization. The awakening of China and India, and the revival of the Mohammedan propaganda, constituted great dangers, and the duty of every Christian to do his utmost in spreading the Gospel to the nations of the earth. Canada was at a critical stage in its development.

Teaching the Foreigner. The great influx of foreign population created grave problems, which must be met bravely and courageously by Canadians. His lordship pointed out that there was a great field of endeavor for the young men among the foreigners in the city. He recommended that classes be formed, where these men could be taught English, and the nature of Canadian institutions. Mr. P. E. Leonard proposed the toast to "Memorial Church." He referred to its excellent history, and the strategic point it occupied in the life of the Anglican Church of the city.

A Popular Rector. Rev. R. W. Norwood delivered an excellent address in reply. He was gratified at the large attendance. Credit must be given to his assistant, Rev. S. R. Heakes, who was largely responsible for the brilliant success the club had proved. Mr. Heakes was indeed a find for the church, and his brilliant gifts, consecrated to Christ and the church were certain to bring great results.

Mr. Norwood did not believe in sensationalism, or in sentiment in religion. His ideal of Christianity was more vigorous than that, Christ came to bring a sword, and His appeal was to the strong, fighting qualities of men. He was calling to the militant qualities of men and women everywhere. Men were beginning to realize that there was a great battle to be fought. Memorial Church was not going to measure its success by its sentiments, but by its achievements in civic and national life.

lowers of athletes as "Babe" McDonald, who won honors in weight-

throwing at the Olympic games at Stockholm last year, caused the arrest of four men last night, after his

homo had been entered by thieves. A stop watch worth \$250 and a gold medal won at hammer-throwing at a local meet were stolen. McDonald and detectives trailed pseudo ex-

pressionmen who had visited the athlete's home. The watch was recovered, but the medal had been melted by a jeweler.
