HAY AND OATS HIGH

Disciple of Great Itinerant Philosopher Shakes Nerves of Woman.

WAS A LITTLE SKEPTICAL

When Asked To Chop Some Wood, Man Left Note on Pile, But Didn't Stay.

A real follower and disciple of that great old philosopher, Weary Willie, than whom no truer exponent of the breathed, begged and took his hapway through a none too charitable world called at the back door of a north end lady's home yester-He rapped, the door opened and forthwith began he the tale of woe. It was an unabridged repetition of the one his great prototype all members of the genus female to hurry to the larder, cover a kitchen table with meats and bread and other stomach-satisfying edibles and sit benignly by while Weary gorged himself to repletion, the while merry quips and twinkling eyes told of the real delight he was experiencing This apostle of William was built on good lines. He was well set up, looked healthy and strong, yet was clearly one who had just that natural aversion to physical exercise which caused him to believe implicitly and hold steadfastly to each and every tenet as set down in that great, unwritten-although clearly understood-"Guide Book for Ho-Hobo is a poor word. It creates a mind impression of something low and mean and unsatisfactory, Gentleman of leisurely habits with a love of fresh air would be better perhaps, but the story

dragging, and as you know what mean, we'll let it go at that, and proceed with what we have to tell, Weary Willie's Tale.

"Mornin', ma'am," said the hobo.
"How do you do," returned the "Could I get something to eat, continued the hobe. "I ain't et for two days, and me backbone is makin' love to me front ribs I'm starvin', and I got a wife what's sick, and three kids that ain't got a shoe for their feet. There ain't a bit of wood in the house, and I can't get nothin' to do. I'm up against it right."
"My! That's too bad, Where do

"O, me home's up on street, and the landlord told the old wummen this mornin' that if she idn't cough up the rent before Saturday, he'd shoot the whole bunch of us out. Gee, it's a crool

"My, O my! To think what you must be suffering. Come in, my good man. If you haven't eaten for two whole days, you must be absolutely starving. Anything might not be good for your stomach in the present weakened condition it is in, so if you would just tell me what you think you could eat without doing

harm to yourself, I will prepare it. "Say, that's swell of you, ma'am guess a couple of biled eggs and ome toast and perserves and a good big pot o' tea, and maybe a piece or two uv pie, if you've got it handy and the good fellow's eyes twinkled right merrily beneath the lids lowered in seeming nervous weakness.

Farmers Who Journeyed to Local Market Today Well Repaid for Pains.

It is surely an ill wind that blows noody good, and the farmers who journeyed to the local market today are willing to vouch for the truth of the old proverb. If it hadn't stormed Tuesday, hay would not have risen a dollar today, nor oats to the high price of \$1.88

per hundredweight. Exactly a dozen loads of har were sold up until noon, the top price being realized for it with few exceptions. The farmers declare that the roads are not n such a bad condition as was first ancipated, and that although the drifts are pretty high in some places, that UNEMPLOYED GET WORK To the Editor of The Advertiser aratively little difficulty was perienced in getting in to the marke day. Only one man admitted having

The loads were heavy, too. E. Fitzgerald, W. Berryhill and R. Hardy, who come from the northeast corner of London Township, all had over two ton loads on, and brought them through rithout any mishap. They declared

CRIMINALS WEPT

When Young "Soloist" at County Jall Sang Hearthstone Ballads.

The old county jail reverberated this morning with the best singing that has been heard in that institution since a afternoon year ago last fall, when "the quartette" held forth.

Early in the day, Clifford Hewitt, who "Jack the Peeper" charge, started to business was at a standstill. provide the prisoners with a few solos. that Turnkey Archie Campbell said tears day, followed by rushes of mail today. York, the question is being debated in

riminals in the cells below. From "Dixie," He itt wandered into "Sweet Adeline." At this juncture, Jim and Robert Kelly, two vags. from Lucan, and Philip Nee, who threw a bottle than half an hour late, and the C. P. R. through the mirror of the Duke of York Hotel bar Monday night, took up the refrain, and the chorus of the wellknown ballad was sung again and again

by the quartette, in response to the applause of the other prisoners. Such old favorites as "Has Anybody Here Seen Kelly" and "Alexander's Ragtime Band" were revived and sung with hearty swing, a number of the prisners joining in the choruses.

The grand opera concert was cut short about 11:30, when an order arrived at e jail requesting Mr. Hewitt's presence the police court immediately. He was ed \$5 and costs, and much to the sorow of the happy family at the jail he will not return to help sing away the rs that must be spent in durance

CLEAN UP McCORMICK SITE

Work Will Be Started on This Today-Unemployed to Work.

Work was started today on cleaning ture. p the old McCormick building foundaons on the federal square site. City ingineer H. A. Brazier is in charge of he operations, which will give employto ten at least of the "out of works" at the outset, and possibly Winnipeg The bricks, left in the basement

walls and the heavy cross walls of the g factory building will be removed by this city gang and cleaned. The Father Point. by this city gang and cleaned. The cleaned brick will be sold. According to the estimate of Mr. Brazier the work will more than pay for itself in addition to supplying much needed assward, and mild in Manitoba.

Stupendous Task.

Railwaymen Had a Difficult Task as Sleet Froze Against Rails.

Several hundred unemployed men were that where board fences were to be given temporary work today by the varifound the drifts were bad, but that ous steam and electric railways, who are otherwise there was nothing to complain making every effort to get the huge snowdrifts which blocked traffic completely all day yesterday cleared away. Even with all this extra help then that the oftenness is then that be until late this afternoon, if then that some of the lines are reopened. This is specially the case south of the city. Toronto, Feb. 3.—The Ontario Horse Eruce line last night, the heavy G. T. R. Breeders' Association at their meeting sweeper left the rails no less than eight line, however, was finally opened, and trains are running as usual today

The railwaymen state that their task and to confer with committees from was most difficult, as in most cases the other live stock associations with a sleet had frozen in against the rails. making a solid mass of ice. of the cuts the high wind had piled snow in top of this to a depth of nine and ten feet. All such places had to be shovelled It is not expected that the electric line

will be able to resume its traffic to Port Stanley until tomorrow at the earliest The lines to St. Thomas, both steam and electric, expect to be in operation this Travellers who left London on Monday
