For the past four years I have sold a large amount of Adams's Botanic Balm and it has given such universal satisfaction that I am recommending it before anything else for Coughs and Colds.

E. C. POWERS,
Druggist, Danvers, Mass.

A Cough, Cold or Sore Throat should be stopped. Neglect frequently results in an INCURABLE LUNG DISEASE OR CONSUMPTION. BROWN'S BRONCHIAL TROCHES do not disorder the stomach like cough syrups and balams, but act DIRECTLY ON THE INFLAMED PARTS, allaying irritation, giving relief in Asthma, Bronchitis, Croup, CATARRH, and the THROAT TROUBLES which SINGERS AND PUBLIC SPEAKERS are subject to. For thirty years Brown's Bronchial TROCHES have been recommended by physicians, and always give perfect satisfaction. Having been tested by wide and constant use for nearly an entire generation, they have attained well-merited rank among the few staple remedies of the age. Sold at 25c a box everywhere.

Mothers! Mothers!! Mothers!!! Are you disturbed at night and broken of your rest by a sick child suffering with teething? If so, go at once and get a bottle of BROWN'S SMOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother who will not tell you that it will regulate the bowels, and give rest to the mother, and relief to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25c a bottle.

The terrible torments endured by rheumatism are first and foremost in the hands of the patient, and are relieved by that beneficent and anodyne pain and fever reducer, which is applied, economic because little of it is usually required to produce the desired effects, and is not followed by any of the deleterious and dangerous results which are usually the result of the use of opium, and other narcotics. It is equally useful in the treatment of neuralgia, and is applicable to diseases and injuries of bones and muscles, as well as of man, and terminates throat and lung diseases, and all other forms of rheumatism. Sold by medicine dealers everywhere. Price, per bottle, 25c.

Prepared only by NORTHROP & LYMAN, Toronto, Ont.
