

GRAND MILLINERY OPENING

W. A. MURRAY & CO.

IN ANNOUNCING OUR GRAND MILLINERY OPENING FOR

TUESDAY, THE 22ND INST.,

We have also much pleasure in calling attention to the fact, in consequence of our ever fast increasing business, we have been forced to secure more room, which we have done by annexing two large wholesale warehouses on Colborne-street, thus nearly doubling our selling space and giving us now under one roof what we believe to be

THE LARGEST, BEST LIGHTED AND BEST ARRANGED RETAIL DRY GOODS ESTABLISHMENT IN THE DOMINION,

AND AS OUR ARCHITECTS (MESSRS. LANGLEY & BURKE) PUT IT,

We occupy 60,600 Square feet of Floor Surface, or equal to the area of King-street from the centre of Yonge-street to the centre of Church-street, or half the area of the Metropolitan Methodist Church Square, every inch of which is used to the very best advantage of our business and the comfort of our customers.

EVERY DEPARTMENT IN THE HOUSE HAS BEEN RE-ORGANIZED AND LARGELY INCREASED, AND EACH PUT UNDER THE MANAGEMENT OF THE MOST EXPERIENCED HANDS THAT MONEY CAN PROCURE.

An additional staff of Dressmakers and Fitters has been engaged and our buyers, of which we have over twenty, have now all returned from the various markets of the world, and on TUESDAY, THE 22nd INST., we will show the citizens of Toronto a stock of

SILKS, DRESS GOODS, MANTLES, MILLINERY, LACES, GLOVES, HOSIERY

AND GENERAL FIRST-CLASS DRY GOODS

SUCH AS HAS NEVER BEEN SEEN BEFORE IN THE DOMINION OF CANADA, AMOUNTING TO THE VAST SUM OF OVER \$750,000

And it is not so much to the amount of this immense stock that we call attention as it is to the completeness of the assortments in every department. As to the values we offer we will simply leave that to a discerning public to judge, and only say that all that an unlimited capital and an experience of over forty years' closest application to the Retail Business can give has been made use of, we think, to your advantage.

Our senior partner, John Drynan, has just returned from inspecting the mammoth establishments of New York and Philadelphia, more convinced than ever that it is only the monster houses with lots of capital and brains that can succeed in this age of Syndicates, Combines, Trusts and Monopolies, and having both the capital and the brains, we mean to use them to your and our own advantage.

LADIES OF ONTARIO:

IT WILL WELL REPAY YOU TO STAND A LITTLE CRUSH AND

COME AND SEE OUR GRAND SPRING EXHIBITION

On Tuesday, the 22nd of March, 1892. All Will Receive a Most Hearty Welcome from

W. A. MURRAY & CO.
