Hay and Wagon Burned

While Hugh H. Currie on the Longwoods Road, Mosa, was drawing a load of haled hay to Glencoe for shipment for Mr. Cloonan on Thursday the hay caught fire while he was on No. 4 side road. The fire had gained such headway before it was noticed that it was impossible to

extinguish it, and hay, rack and wagon were consumed. Mr. Currie tried by hitching the horses to the end of the tongue to upset the load in the ditch and save the wagon, but was unsuccessful. He had one hand badly burned. The load contained about 2½ tons and the wagon and rack were nearly new. Mr. Currie had struck a match to light his pipe. The head of the match broke off and fell down between the bales of hay. Little, however, was thought of this until a few minutes later flames shot up from between the bales.

Dr. George Sanson, a former resident of Petrolia, died at Victoria last week.

Toronto, Sept. 12.—Receipts at the Union stockyards today were 1,166 cattle, 148 calves, 710 hogs and 978 sheep. There was not a full load of heavy steers on the market, but prices were firm for this class. Choice lots of butcher steers and heifers were steady with yesterday's prices and in good demand. Good butchers steady, with a fair demand, but common butchers were inclined to be easier, with a slow market. Stocker trade quiet. Cows steady. Bulls firm. Demand for springers good. Sheep and lambs firm to 25c higher. Cows firm and 25c higher. Hogs advanced 25c.

The instalments may be paid in full on the 16th day of October, 1916, or on any instalment due date thereafter, under discount at the rate of four per cent per annum. Subscriptions, accompanied by a deposit of ten per cent of the amount subscribed, must be forwarded through the medium of a chartered bank. Any branch in Canada of any chartered bank will receive subscriptions and issue provisional receipts.

This loan is authorized under Act of the Parliament of Canada, and both principal and interest will be a charge upon the Consolidated Revenue Fund.

Forms of application may be obtained from any branch in Canada of any chartered bank and at the office of any Assistant Receiver General in Canada.

Subscriptions must be for even hundreds of dollars.

In case of partial allotments the surplus deposit will be applied towards payment of the amount due on the October instalment.

Scrip certificates, non-negotiable or payable to bearer in accordance with the choice of the applicant for registered or bearer bonds, will be issued, after allotment, in exchange for the provisional receipts.
