

ARCTIC AT HALIFAX

Ye American steamer Arctic, which sa Liverpool on the Hih January for New The per into Halifax on Friday forenoun, short 35 passengers, and a full freight of valueble

The news-from England presents no new for Nothing has been heard of the Atlanti "The steamer America arrived home on the

The Liverpeol Cotton market was dail, will drooping appearance. The sales for the week reached 28,760 bales.

The Flour market was very languid, the Irinsactions being only for immediate wants Corn has receded 6d, and was inactive. There was, more business doing in the Provision market.

The political news is favorable. All was progressing satisfactorily on the Continent, including Germany.

The news from India was again favorable to shippers of goods.

At Manchester there was an extensive highest at improving prices. Stocks of every kind-were unusually small.

The cherikee left Charres on the Shippers at improving prices. Stocks of every kind-were unusually small.

The stock of cotton in the ports of Great Russin, was 521,000 bales of which 372,000 were American, against 558,000, of which 317,000 were American, last year. Stock in Liverpool, from 60 to 70,000 bales more than was expected, consequently there was less and Manchester. Prices same as last week, and the latter 250 passengers, and \$520,000 worth of gold dustant the latter 250 passengers, and \$525,000 were favorable passengers.

in Manchester: Prices same as last week.

Freights in general are well sustained, all shough rates of weight are still low for the season; Boston deal weight, 17s 61, a 22s.

Olime goods, 20s., hardware 20s.; earther fire had occurred at San Francis, of destroying property to the amount of the European Times and Manchester Si00,000. The fire commenced in Cook & Guardian answer with some severity the are Brother's stole, foot of Sactamento street.

Guardian answer with some secretivithe articles that have appeared in the New York.

Herald, on the Usilins and Cunsed steamers, and deny that the prejudice in England alchange in prices had taken place. A strong against the former, has ever shown itself in the manner stated.

New Year's Day said that he did not seek month for a prolongation of his powers.

nier, who, in defiance of the earnest protest-ations of the Ministry, was given permission by a decided majority to justify his conduct before the Assembly. Both the right and left warmly applauded the General, when the Ministry abruptly withdrew, and with equal atruptness resigned in a body. The Presi dent sasceeded, though with great difficulan forming a new Cabinet. The decree which the National Guard and the troops he line were united, has been altered by ew Ministry, and the command of the bodies vested in separate officers.

San Loss or Lare .- New Beach.

TIS BUT WINTER WEATHER MEN!

Tis but winter-weather men. Only winter-meather, which

w the east winds cold and keen, Is the snow long lying?
Ah' but see, the crocus springs,
Gilden-gorse and such like things, Saying, "winter's dying !

Very soon the spring well come, flinds and flowers be made. Very soon the trees be said. In the vestments that they had. When the birds were singing.

Every day hath more of hight, Each eve less of darkness; Soon will come upon the trees, Standing naked in the breeze.

And our hearts, shall they be sad And our hearts, was

When the care-cloud Joonneth
Basish hope to sted despair.

Turn from gladness evily a here
That the storm will cometh?

The but winter weather men Only winter weather! Winter for the heart and earth, Hope and spiring will soon have birth-Blossoms then we'll gather!

The news from India was again favorable December. They did not bring the Califo
