Profit in Fruit Growing in Nova Scotia

To show what may be reasonably expected from a well managed orchard, the figures in the first four columns of the following table have been obtained from reliable and practical orchardists, well known throughout the Cornwallis and Annapolis Valleys. The expenses connected with securing these crops have also been obtained from these men and are comparatively uniform. The average estimate of cultivating, fertilizing, spraying and pruning per acre is twenty-five dollars, and the cost of picking, packing and shipping the fruit is estimated at 50 cents per barrel. The question of the actual value of an acre of good orchard is sometimes discussed, but it is doubtful if many have figured out the investment that their orchards are paying them on any certain value per acre. In the following table, the above estimate of expenses is deducted from the gross receipts and a uniform value of six hundred and ten dollars per acre is placed on the orchards, to ascertain in the sixth column, the net interest they are paying on a valuation at which Hillcrest Orchards is capitalized. These instances should be duplicated many times over in the valley, but are sufficient to illustrate the returns from an investment in well kept orchards. It is admitted more freely every year, that it is from the orchards one must look for the greatest profit in farming and that they have been covering up many mistakes in other lines of farm work. A further important point in this connection, is the fact that in providing these figures, each grower gave it as his opinion that the net returns for the next ten years should be greater. This opinion is based largely on the consciousness of a better knowledge of the growing and handling of fruit along the lines of fertilization, cultivation, pruning, spraying, packing, transportation and marketing, as well as increased growth of trees.

Statement of yield and returns from some Nova Scotia orchards the last five years:

Owner of Orchard.	Average number of bush apples per acre, winter orchard last year.	Number of acres of orchard cultivated in the orchard.	Average price per bush these years.	Gross return per acre orchard last year.	Net return per acre.
F. C. Johnson, Port Williams.	121	9	\$2.50	\$302.00	\$319.00
J. Elliott Smith, Wolfville.	125	11	2.12	349.80	345.90

L. W. ELLIOTT, Secretary A. C. F. A.

SECTION MAN KILLED BY TRAIN.
William Burns Meets Death at New Germany—Run Over by Mid-dleton Train.

New Germany, January 21.—The people of this village were horrified last evening by the news of the death of William Burns, who was instantly killed by the Middleton train at the station here. Mr. Burns was the foreman of the New Germany section and upon the arrival of the train started over by the passenger coach which was being shunted. His body was not found until after nine o'clock, no one knowing of the sad calamity until then. He had apparently been dragged one hundred feet and was terribly broken up and had apparently died instantly of a broken neck. He was over sixty years of age. He was one of the oldest employes of the road, coming here in 1887. He was an honest, upright man, well liked and respected by every one who knew him. He was formerly employed on the Windsor branch and lived at Windsor. Mr. Burns was married twice and leaves a widow and five children. This morning a coroner's inquest was held which returned a verdict of accidental death. The occurrence has cast a gloom over the whole community and the family of the unfortunate man has the greatest sympathy of all.

BOSTON EDITOR DROPS DEAD.
Boston, Jan. 27.—Robert H. Anderson, 298 1/2 of the editors of the Boston Tribune, dropped dead at his desk this week. He was a native of Halifax and a brother of Thomas P. Anderson, the well known official of the Boston Canadian Club.

Minard's Liniment Co., Limited.
Sirs,—I have used your MINARD'S LINIMENT for the past 25 years and whilst I have occasionally used other liniments, I can safely say that I have never used any equal to yours. If rubbed between the hands and inhaled frequently it will never fail to cure cold in the head in twenty-four hours. It is also the best for bruises, sprains, etc. Yours truly, J. G. LESLIE. DARTMOUTH, TELERIFIC GALENS AND FLOODS IN NEW YORK. Terrible gales and floods devastated cities in New York, Indiana and Ohio last week. The sufferers by flood were estimated at 200,000 in Cincinnati and nearby cities. Aurora, Indiana, were entirely cut off by flood from the outside world, the people having to make use of boats. About 1700 were rendered homeless. Damage to shipping along the lakes was immense. Buffalo, on Lake Erie, suffering to the extent of \$1,500,000.

ICE CROP SAFE.
Boston, Jan. 21.—The stiffest cold wave since the middle of December swept into New England last night and sent the thermometer in this city down to two below zero at midnight with every prospect of reaching several degrees below that before sunrise. The cold wave was welcomed as almost insuring the safety of the ice crop which had been in a precarious condition for nearly a month.

Your Doctor
Can cure your Cough or Cold, no question about that, but why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can step into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter. Why not do as hundreds of thousands of Canadians have done for the past thirty-four years; let SHILOH be your doctor whenever a Cough or Cold appears. SHILOH will cure you, and all druggists back up this statement with a positive guarantee. The next time you have a Cough or Cold cure it with **SHILOH**

Safest Medicine for Women's Complaints

Women certainly do neglect themselves. They work too hard—over-tax their strength—and then wonder why they suffer with diseases peculiar to their sex. Most cases of female trouble start when the bowels become inactive—the kidneys strained—and the skin not cared for. Poisons, which should leave the system by these organs, are taken up by the blood and inflame the delicate female organs.

Fruit-a-Lives remove the CAUSE of these diseases. "Fruit-a-Lives" sweeten the stomach—make the bowels move regularly every day—strengthen the kidneys—improve the action of the skin—and thus purify the blood. "Fruit-a-Lives" take away those distressing headaches and heart-aches, drive pain, and make women well and strong. Fruit-a-Lives is a natural, unadulterated, with tonic and antiseptic properties. It is sold in all druggists—or from Fruit-a-Lives Limited, Ottawa.

COUNTERFEIT BILLS AFLOAT IN SYDNEY.

North Sydney, Jan. 26.—A number of counterfeit Canadian notes, all of small denomination have lately been detected both in North Sydney and Sydney Mines. This morning a certain hotel man discovered that he had been victimized to the extent of six dollars during yesterday or last night. The notes were a \$1 Union Bank of P. E. I., and a \$5 Bank of Nova Scotia, both pretty well worn. An hour afterwards while opening his mail he came across the following unsigned letter, dated Moncton, January 20, 1907: Dear Sir,—Your name has been handed me by a commercial traveller to be a trustworthy and reliable man to handle the right kind of goods, American or Canadian, best in the world. One thousand dollars for \$3, two thousand will cost \$5. You can examine everyone to your entire satisfaction. Yours truly, A self-addressed envelope to P. O. Box 1550, Truro, N. S., was enclosed, also a catalogue of the different counterfeit notes together with costs of some. It is evident the writer has done considerable business in Cape Breton, judging from the number of complaints, that are heard.

OBITUARY FLORENCE WALLIS.

The death took place at Yarmouth on Friday morning of Florence, the eldest daughter of James Wallis, of that town, after a long illness of five years. She was born in Birmingham, England, thirty-one years ago, and besides her parents, leaves three brothers and five sisters to mourn their loss. (Miss Wallis will be remembered by many in Bridgetown, where she was the guest of her brother, J. J. Wallis, several weeks last spring.) MRS. WHITNEY HARRIS. On the 18th inst. at her residence, Wolfville, the death took place of Mrs. Harris, wife of Whitney Harris, after a few days illness of pneumonia. Mrs. Harris was a lady most highly esteemed and was formerly Miss Chipman of Clarence, N. S. After her marriage she and Mr. Harris resided in Canning, Halifax, and for many years at Toronto. They returned to Canning a few years ago and recently moved to Wolfville to be with their daughter, who owns a large photographic business there. There are two sons, Clarence, of Toronto, and L. G., who owns a large fruit farm at Canning. The late B. W. Chipman, Secretary of Agriculture, was a brother-in-law of Mrs. Harris.
