SASKATCHEWAN WOMAN RECOVERS

Found Health by Taking Lydia E. Pinkham's Vegetable Compound

Mrs. W. J. Thomas, Saskatoon, Saskatchewan.—"I saw Lydia E. Pinkham's Vegetable Compound advertised for women's troubles and when a friend recommended it to me I tried it and it has done me so much good in the two years in which I have been taking it that I end I am a different woman since then. I recommend your Vegetable Compound as much as I can and you may use my letter as a testimonial."

—Mrs. W. J. THOMAS, Saskatoon, Saskatchewan.

These letters recommending Lydia E. Pinkham's Vegetable Compound ought to convince women of the great worth of this medicine in the treatment of ailments to which they are often subject.

Mrs. Thomas writes that she is a different woman now. If you are suffering from troubles women often have, or feel all run down, without any ambition or energy for your regular work, take Lydia E. Pinkham's Vegetable Compound. It is a natural restorative and should help you as it has Mrs. Thomas and many other women.

This medicine has been helping sick women nearly fifty years—surely a long record of service.

In a survey of business in Canada, dated November 1922, Royal Bank comments on the purchasing power of money and its effect on trade in general. "Although there is some pessimism in the report," it says, "the fact that the wholesale price index has risen throughout the year, one might suppose that the increasing purchasing power of the farmer therefrom, would immediately have a very strong impetus throughout the country. It is still below par. Specially priced of farm products compared to manufactured articles and the cost of labor.
