

## SPEAK TO ME ONLY IN THY SIGHS.

A MELODY.

*Air—"Drink to me only."*

---

Speak to me only in thy sighs,  
 And I'll respond with mine,—  
 Words cannot tell the love I feel—  
 Oh! can they breathe of thine:  
 Yes,—'tis alone for hearts like ours  
 Love's language to define,—  
 Then, dearest, speak in sighs to me,  
 And I'll respond with mine.

If sighs are thoughts, and tear-drops words,  
 I bless thy tears and sighs,  
 So lov'd in their soul-searching speech  
 From thy sweet lips and eyes;  
 Oh! dearer far thy sigh to me  
 Than music most divine,—  
 Then, let soft sighs thy language be,  
 And kisses shall be mine.
