Something New in Agriculture is

VESSET'S SUB-SOIL LANCE

(PATENTED)

A complete revolution of the old methods.

This is a most useful, simple and durable implement. It is easy to operate and adapt itself to any plough now in use (including the spud) and makes it but very little harder to draw. Is sold very cheap.

The Vesset Improved Grain Grinder

(PATENTED)
Our Little Champion Grinder
run by horse power, especially for Farmers' use.

Our Large-Sized Grinders

For grain, grind twenty to sixty bushels per hour as fast as cattle. Always guaranteed.

Elevated and lowered when desired. A cleaver or scissor cuts the stalks from corn and beans.

Price list unchanged. Last year's a third largest grinder.

We also furnish an improved Corn and Cob Crusher. Send for circular. Information freely given.
