Armstrong's Patent Mechanical Filter

Warranted to purify 500 gallons of Water in 24 hours.

It is a well authenticated fact that a great proportion of the diseases incident to this Country, viz; Fevers, Agues, &c., are caused by the impurity of the water, and it has therefore become an object of importance to the public to discover a means of purifying it in sufficient quantities for ordinary household purposes. This is now done by the Patent Mechanical Filter, which at the same time unites rapidity, simplicity, and economy, and by means of it water can be purified in any quantity, with very little trouble. During the last year, since their introduction into the United States, they have been adopted into the Navy, both national and commercial, and are fast becoming general as an article of household use.

ITS ADVANTAGES ARE

- 1st. Smallness of compass, cheapness and simplicity of construction, whereby it is not liable to get out of order.
- 2d. The rapidity with which it works, purifying 500 times as much water in a given time, as any filter of the ordinary construction.
- 3d. As it does not operate chemically, water for washing and all other household purposes, as well as for drinking, can be purified by it. It will also be found particularly adapted for Wine & Spirit Merchants, &c.

Price \$3 each, in complete order for use. Families in distant parts of the country can have Filters forwarded, carefully packed, by addressing the Agent by post, with a remittance.

J. WINER'S COMPOUND SYRUP OF HOREHOUND AND ELECAMPANE.

FOR the speedy and effectual cure of Coughs, Colds, Asthma, Spitting of blood, Whooping Cough, Croup or Hives, Consumption, Pharynx, hoarseness, pains and soreness of the breast and lungs. Bronchitis, a disease that is sweeping hundreds to a premature grave, under the fictitious name of consumption, can be cured by this medicine. The usual symptoms of this disease (Bronchitis) are cough, soreness of the lungs or throat, hoarseness, difficulty of breathing, asthma, hectic fever, a spitting up of phlegm or matter, and sometimes blood. It is nothing more than an inflammation in the fine skin which lines the inside of the whole of the wind tubes or air vessels which run through every part of the lungs.

The peculiar virtues of this compound have for a long time attracted the attention of the medical profession and public; and a lively interest has recently been directed to the development of their active powers and pulmonary qualities, which the proprietor is now able to gratify, and presents this medicine to the public with full confidence of its being the most safe and valuable remedy ever discovered and adapted to all diseases of the lungs, when any of the functions do not perform their natural or healthy action.

It is universally believed that God in his Providence has not afflicted his children with pain and disease, without at the same time giving them something in the garden of nature that will not only mitigate, but in many cases entirely relieve them. With these views strongly impressed on our minds, every one should feel a great desire to investigate to the utmost of his power, the great arena of nature, and to draw from that source that instruction which the wisdom of man has failed to attain.

In presenting this article to the public, the proprietor was influenced by the hope that a medicine prepared with much care and strict regard to the chemical properties of its several ingredients, should take the place of thousands of irresponsible nostrums of the day, with which this country is deluged.

The use of one bottle of the Syrup will be sufficient to convince the most sceptical of its beneficial effects.

Directions accompanying each bottle, with the signature of the proprietor, without which none are genuine.

KL I STOCK'S VERMIFUGE.

THIS remedy for worms is one of the most extraordinary ever used. It effectually eradicates worms of all sorts, from children and adults.

THOUSANDS perish by worms without the real cause being known. Some other reason is assigned for this recklessness until too late to cure the real cause.

What an immense responsibility then rests upon the parent who does not know, and the doctor who does not understand the complaint which is destroying those precious flowers of life—children.

What should be done?

The answer is plain. Give this vermifuge, which will be sure to do good, if they have no worms; and if they have, it will destroy and eradicate them with a certainty and precision truly astonishing.

It cannot harm the smallest infant or the strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies; and the remedy is sometimes worse than the disease. So never use lozenges, but rely on this. Every person will be convinced on one trial, that it is the most perfect cure ever invented.

The immense sale that this vermifuge has, is a sure test of its value and the estimation in which it is held by families. It would be quite too expensive to publish the volumes of certificates that have been given for this article, and the users of it are requested to spread the name to all persons whom they think may be benefited by it.

Speak of it in all families, and you will do your duty to your fellow creatures, and feel assured of the approbation of all good men, and will receive your reward in heaven.

We call on all good citizens to make known the effects of this wonderful remedy.

DR. SPOHN'S SICK HEADACHE REMEDY.

Read the following from Judge Patterson, for thirty years the first Judge of the County in which he lives.

Middletown, N. J., March 12, 1840. Messrs. Constock & Co.

Gentlemen—You are at liberty to make such use of the following certificate as you deem will best subserve the purpose for which it is intended.

[Certificate of Judge Patterson.]

I HEREBY CERTIFY that my daughter has been afflicted with sick headache for about 20 years—the attacks occurring once in about two weeks, frequently lasting 24 hours, during which time the paroxysms have been so severe, as apparently soon to deprive her of life. And after having tried almost all other remedies in vain, I have been induced as a last resort to try Spohn's Headache Remedy as sold by you; and to the great disappointment and joy of herself and all her friends, found very material relief from the first dose of the medicine. She has followed up the directions with the article, and in every case when an attack was threatened has found immediate relief, until she is now permanently cured. The attacks are now very seldom, & disappear almost immediately after taking the quantity directed. A hope that others may be benefited by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant. JEHU PATTERSON, Judge of the Court of C P

Children summer complaint. Specific Cordial.

Prepared and sold by Rev. Dr. Bartholomew for the wholesale dealers, Comstock & Co. N. Y.

MOTHERS should guard with their serious care the health of their children, and a little medicine always at hand in the house, may not only prevent immense pain and suffering to their tender offspring, but actually save their lives. What parents could ever forgive themselves, if for the want of a seasonable remedy they risked the life of their children till remedies were too late. The complaints of the stomach and bowels of children progress with such rapidity, that unless checked at the start, they are not only hazardous, but almost always fatal. In country places this remedy may be taken with certainty to stop all such complaints, and save the expense of calling a physician, or if a physician is sent for from a distance, this medicine will assure the safety of the child till the physician arrives.

LET, THEREFORE, NO FAMILY be without this medicine always at hand in their houses. How would they feel to lose a dear child by neglecting it?

ADULTS will find this cordial as useful to them as children; and its being free from all injurious drugs, &c. will be sure to please as well as benefit. In all sickness at stomach and bowel complaints do not fail to employ carefully this cordial.

WILL YOU, WE ASK, risk your lives and those of your children by neglecting to keep this in your house, when it only costs TWENTY FIVE CENTS? We are sure all humane heads of families must supply themselves with this cordial without delay.

This medicine can be had at Bickle's Medical Hall; also at the Druggist shops of C. H. Webster and J. Winer Hamilton.

HEWE'S NERVE AND BONE LINIMENT.

This article is offered to the public as a never failing cure for the Rheumatism, and it has for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is invariable, after one or two applications of the Liniment, and in chronic Rheumatism, the cases of cure are numerous. It is truly a remedy that reaches the nerve and bone with the most happy effect.

This medicine can be had at Bickle's Medical Hall; and at the Druggist shops of C. H. Webster and J. Winer Hamilton.

DR. BARTHOLOMEW'S PINK EXPECTORANT SYRUP.

The cases of consumption are so numerous in all the northern latitudes, that some remedy as a preventative should be kept by every family constantly on hand, to administer on the first appearance of so lifeless a disease. This Expectorant Syrup will in every case prevent the complaint. It is quite impossible for any person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the cases as incurable.

This Medicine can be had at Bickle's Medical Hall; also at the Druggist shops of C. H. Webster and J. Winer Hamilton.
