R. STANTON.

## DOCTOR LANG,

**P**RESENTS his most respectful compliments to the Inhabitants of York and circumjacent country; begs leave to inform them, that he continues to give advice, and prescribe, at the Medical Hall, No. 93, King Street, (North side)—that his assortment has lately been replenished, and enlarged with every Drug, containing mineral or vegetable virtue and excellence for the prevention of disease, with the continuance of health, strength, and vigour;—these he will dispose of on such moderate terms, that, being of the most superior quality, must ensure a continuance of the very liberal patronage, with which he has been honored, since commencing business, and becoming a Citizen of the Western Capitol.

N. B.—A considerable quantity of Honey for sale,

York, February 8, 1833.
