

CANADA'S GREAT BUSINESS UNIVERSITY!

London Commercial College

AND

TELEGRAPHIC AND PHONOGRAPHIC INSTITUTE.

(Established nearly a quarter of a Century.)

THE OLDEST, MOST POPULAR, AND BEST PATRONIZED BUSINESS TRAINING SCHOOL IN BRITISH AMERICA.

No other Institution in the Dominion has fully-equipped and well-conducted Commercial, Telegraphic, and Phonographic Departments, and we claim, without fear of successful contradiction, that our facilities for imparting such instruction as will fit young men to occupy first-class positions in Manufacturing Establishments, large Mercantile Houses, Banking Institutions, Railway and Insurance Offices, or qualify them for Telegraph Operators or Shorthand Writers, are unequalled in Canada.

TERMS (Payable strictly in advance).

We make no reduction to students who may enter at a particular time. We make no reduction to students who may pass other Commercial Colleges to get here. Neither do we make any reduction to clubs. We treat all students exactly alike, and we are glad to know that our course in this respect gives general satisfaction.

The College Building is one of the finest structures in the City of London. It is well heated and thoroughly ventilated and as the ceilings are thirty feet high it is, perhaps, the most healthy educational establishment in the Province.

Our staff of thoroughly qualified professors is nearly twice as large as that of any other Business College in Canada; and, what is of great importance to the student, all the Teachers on the staff are in regular attendance at the College.

In the Penmanship Department we excel all similar Institutions, and employ three superior penmen. The Principal of this Department has long been recognized, both in Canada and the United States, as the leading penman in the Dominion.

There can be no question as to where is the best place to obtain a comprehensive, thorough and practical Business Education, and intending students should send immediately for pamphlets, etc., containing full particulars respecting Terms, Course of Study, etc.

School re-opens after the Christmas holidays, on Tuesday, January 2nd, 1883. Address

Sabbath School Publications.

To Superintendents and Teachers.

We shall be glad to forward specimen copies of the Sabbath School Papers published by the undersigned. They are three in number, and have all been before the Canadian Public for several years.

It is claimed for the **SABBATH SCHOOL PRESBYTERIAN** that no better paper for Presbyterian Schools can be got anywhere. During the past and current year a good deal of matter has appeared in its columns well calculated to awaken the interest of the young in our Foreign Missions and other Church work; the illustrations have been attractive; and the general contents of such a character as would prove interesting to the older scholars. During 1883, our best efforts shall be directed to making this paper, if possible, more useful than at any previous period since its commencement, seven years ago.

If your school has never yet given the **SABBATH SCHOOL PRESBYTERIAN** a trial, you are invited to do so for the coming year. It may not be quite as low-priced as some American publications we could mention. It is certainly very much better, and cheaper too, if QUALITY OF PAPER AND PRINTING AND SUITABILITY are taken into account. The price will be found the same as charged for a similar publication issued by the American Presbyterian Board.

GOLDEN HOURS, a bright and beautiful monthly, will also be continued at prices given below. The reading in this paper is quite different from that appearing in the **SABBATH SCHOOL PRESBYTERIAN**, with the exception of the Lesson, which is the same in both publications. **GOLDEN HOURS** IS UNDENOMINATIONAL.

EARLY DAYS, a favorite with the junior and infant classes, is published twice a month. For some time past we have been giving in its pages a series of short Bible stories, with appropriate illustrations. In the coming year the wants of the young shall have careful consideration. The Story Lesson—a useful feature of the paper—will be continued; more illustrations will be used; and in every respect **EARLY DAYS**, in the months that are to come, will take a step in advance on its past record. **EARLY DAYS** IS ALSO UNDENOMINATIONAL.

The intention is to make all the papers **BETTER THAN EVER BEFORE**, thus rendering them more and more worthy a largely increased patronage at the hands of those who are unwearied in their efforts for the highest good of the "lambs of the flock"—the "children of the Church."

Parcels of specimen copies sent free on application.

TERMS FOR 1883:

The **SABBATH SCHOOL PRESBYTERIAN** (Monthly), **GOLDEN HOURS** (Monthly), and **EARLY DAYS** (Semi-monthly), are mailed free of postage, at the following rates:
