WEBSTER'S

What better, wiser, or more acceptable gift could be made than a copy of the International, in which the practical worker, the professional and the business man, the teacher, the student, and every family will find all the information desired, arranged in a convenient form for hand, eye, and mind. It is the one great standard authority of the United States Supreme Court, the Government Printing Office, and the Executive departments generally, and is more widely used than any other lexicon in the world. It should be in every household,

and in its Various Attractive Bindings it Makes the
Choicest Gift for Christmas.

We also publish
Webster's Collegiate Dictionary
with a Valuable Glossary of Scotch Words and Phrases, etc.

Specimen pages, etc., of both books sent on application.
