

"ALL ALONE."

From an etching by the late Allan Edson.

THE Canadian Pacific Railway

has provided its usual extensive list of tourist tickets to the various summer resorts of Canada and New England, which may be obtained at its different agencies at very reasonable rates.

Among the most desirable localities covered by these tickets may be mentioned Banff, Vancouver, Victoria, Seattle, Tacoma, Portland, Ore, and San Francisco. The sleeping and dining cars of the company's transcontinental trains are proverbial for their comfort and luxury, and now that the hotels at Banff, Field, Glacier, Fraser Cañon and Vancouver are all completed and open for guests, every want of the traveller is carefully provided for.

Tourist tickets to the above mentioned points are good for six months and permit stop over at pleasure.

From Montreal the rates are:

- To Banff and return. - \$90 00
- To Vancouver, Victoria, Tacoma, Seattle, or Portland and return, 125 00
- To San Francisco and return, - - - 140 00

From other stations the rates are proportionately low.

Descriptive books may be obtained of Company's agents, or by addressing the Passenger Traffic Manager at Montreal.
