

and apparently stood it as well as the rest of the employees. Mr. Ford said he thought a great deal of the young man and was pleased at his wonderous deliverance from the grave and his restoration to vigorous health.

In order to still further verify the statements made by Mr. Condor in the above interview, the reporter on his return to Toronto examined the General Hospital records, and found therein the entries fully bearing out all Mr. Condor had said, thus leaving no doubt that his case is one of the most remarkable on record, and all the more remarkable because it had baffled the skill of the best physicians in Toronto.

These pills are manufactured by the Dr. Williams' Medicine Company Brockville, Ont., and Schenectady, N. Y., and are sold in boxes (never in loose form by the dozen or hundred, and the public are cautioned against numerous imitations sold in this shape) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

The story deals with a crime and its investigation, and illustrates how the strongest circumstantial evidence may at times be misleading. 20 cents will pay for THE NEWS while the story continues. Seven Years' Suffering.

GENTLEMEN.—I have suffered very much from inflammatory rheumatism which through wrong treatment left ugly running sores on my hands and feet. With these I suffered for seven years, during which time I had neither shoe nor stocking on. I commenced using B.B.B. externally and internally, using the pills also, and I can say now that the sores are entirely cured, and have been for some time. I believe the bitters were the means of saving my life.

DEAR SIRS.—I had for years been troubled with dyspepsia and sick headache, and found but little relief until I tried your Burdock Blood Bitters, which made a perfect cure. It is the best medicine I ever had in my life, and I will never be without it.
