

## THE DOMINION AND INDUSTRIAL EXHIBITION, TORONTO.

The Dominion Exhibition for the present year is to be held at Toronto, from the 5th to the 17th of September next, in conjunction with the great Industrial Fair, and these two exhibitions combined in one will, without doubt, be the grandest affair of the kind we have yet had in Canada. The Prizes offered amount to the large sum of \$30,000. The Toronto people are making great preparations for the show, and although their exhibition grounds and buildings are already the best and most extensive in the country, yet they are adding \$40,000 worth of additional buildings this year. With a view of securing the show of live stock the first week as well as the second, large special prizes are offered for horses, cattle, sheep and pigs, to be shown during the first week of the exhibition in addition to the regular prizes to be awarded the second week. A large number of superior special attractions are being secured for the exhibition, and they will be distributed throughout the whole time, so that the show the first week will be equally as attractive as during the second. Cheap railway rates and excursions will also be given during the whole time of the exhibition, so that everyone will be afforded an equal opportunity of visiting this great show. Entries in all departments, except for fruit and grain, have to be made before the 13th of August, and any intending exhibitors who have not yet obtained a copy of the prize list should lose no time in doing so. They can be obtained from the Secretaries of all Agricultural Societies and Mechanics' Institutes, or by dropping a post-card to Mr. Hill, the Secretary at Toronto. We may add here that the Grip Printing and Publishing Company are preparing a special issue, entitled "The Exhibition Illustrated," of which 10,000 copies at least, and perhaps many thousands more, will be printed and circulated in Toronto and the surrounding cities, towns and villages in Ontario. A few advertising spaces are still open, and live advertisers will readily see that this will be one of the best mediums ever offered them to bring their goods to the notice of the Canadian public. Advertising rates on application to Grip Office, Toronto.
