DR. J. COLLIS BROWNE'S CHLORODYNE.

The Original and only Genuine.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis, Asthma. CHLORODYNE effectually checks and arrests those too-often fatal diseases—Diphtheria, Fever, Croup, Ague.

CHLORODYNE acts like a charm in Diarrhoea, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, etc.

From W. Vesalius Pettigrew, M.D.:

"I have no hesitation in stating that I have never met with any medicine so efficacious as an Anti-Spasmic and Sedative. I have used it in Consumption, Asthma, Diarrhoea, and other diseases, and am perfectly satisfied with the results."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manila, to the effect that Cholera has been raging fearfully, and that the ONLY remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1864.

CAUTION.—BEWARE OF PIRACY AND IMITATIONS.

CAUTION.—Vice-Chancellor Sir W. Page Wood stated that Dr. J. COLLIS BROWNE was, undoubtedly, the Inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, 13th July, 1864.

Sold in bottles at 1s. 1/4d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. COLLIS BROWNE'S CHLORODYNE" on the Government stamp. Overwhelming Medical Testimony accompanies each bottle.

A Down Town Merchant, having passed several sleepless nights disturbed by the agonies and cries of a suffering child, and becoming convinced that MRS. WINSLOW'S SOOTHING SYRUP was just the article needed, procured a supply for the child. On reaching home and acquainting his wife with what he had done, she refused to have it administered to the child, as she was strongly in favor of Homoeopathy. That night the child passed in suffering, and the parents without sleep. Returning home the day following, the father found the baby still worse, and while contemplating another sleepless night the mother stepped from the room to attend to some domestic duties, and left the father with the child. During her absence he administered a portion of the SOOTHING SYRUP to the baby, and said nothing. That night all hands slept well, and the little fellow awoke in the morning bright and happy. The mother was delighted with the sudden and wonderful change, and although at first offended with the deception practised upon her, has continued to use the Syrup, and suffering crying babies and restless nights have disappeared. A single trial of the Syrup never yet failed to relieve the baby and overcome the prejudices of the mother.
