**AYER'S HAIR VIGOR** No More Bald Heads.

Restores the color, gloss, and youthful freshness of the hair; stimulates a rich and luxurious growth; thoroughly cleanses the scalp; prevents dandruff and humors; and is the most cleanly and effective preparation for the hair ever offered to the public. Rev. J. W. Davenport, Illinois Bend, Texas, writes: "Ayer's Hair Vigor, used in my family for several years, has no equal as a dressing, nor for preventing the hair from falling out or turning prematurely gray. It ranks among the first luxuries of our house." Miss Kate Rose, Ingersoll, Ontario, writes: "While

To produce a new growth of hair on bald heads, in the case of persons advanced in years, is not always possible. When the glands are decayed and gone, no stimulant can restore them; but, when they are only inactive, from the need of some excitant, the application of Ayer's Hair Vigor will renew their vitality, and a new growth will result. L. V. Templeton, Newbern, N. C., writes: "After a protracted illness, with fever, my hair all came out, leaving me

entirely bald. I procured a bottle of Ayer's Hair Vigor, and, before I had used all its contents, a thick growth of hair, nearly two inches long, covered my head." L. D. McJunkin, Perryville, Md., writes: "Baldness is hereditary in my family. Five years ago the hair on the top of my head was becoming weak and thin. I procured Ayer's Hair Vigor, the application of which invigorated the hair roots, and sent out a new growth of young hair. To-day my hair is as thick and vigorous as ever. I still use the Vigor occasionally to keep my scalp in a healthy condition."

Rev. P. J. Ed. Page, Professor of Chemistry, Laval University, Quebec, says:—I have analysed the India Pale Ale manufactured by John Labatt, London, Ontario, and have found it a light ale, containing but little alcohol, of a delicious flavour, and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analysed the Porter XXX Stout, of the same Brewery, which is of excellent quality; its flavour is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."
