Cologne, F.R.G. — October 14-19, 1989

Food and Food Equipment

This biennial international world food market justifies its reputation as the world's largest food fair. Principal exhibits consist of food and provisions of all kinds with official national exhibits and pavilions. Equipment, furniture and fittings for the restaurant trade, fast food catering systems, big kitchen systems, vending machines, grill and snack bar requirements, machines and equipment for processing and packing, shop fittings and furniture are all featured.

In 1987, 28 Canadian companies participated and reported on-site sales of \$9.1 million; 12-month projected sales were estimated at \$47.5 million.
