Madam Deputy Speaker: I declare the motion lost.

Mr. Angus: I rise on as point of order, Madam Speaker. Given that Motions Nos. 6, 37, 30, 49, 38 and 46 were grouped together for the purpose of debate, I was wondering whether there might be consent to have the vote just taken apply to those.

Madam Deputy Speaker: Is there unanimous consent?

Some hon. members: No.

Madam Deputy Speaker: I do not have unanimous consent.

The next question is on Motion No. 30.

The House divided on Motion No. 30, which was negated on the following division:

(Division No. 157)
