Dr. C. F. Martin,  
Dean, Faculty of Medicine,  
McGill University.

My dear Dean Martin:-

I am enclosing you herewith  
copy of a letter received by the Principal from  
Mr. Frank Shaughnessy.

Before he left for the West  
the Principal asked me to tell you that he thorough-  
ly approved of the proposal of the football coach  
and would be very glad if you could find it  
possible to make the arrangement suggested.

Of course, Dr. Bazin is already  
doing a great deal and he may think that nothing  
more is necessary. The Principal feels that the  
suggestion implies real good faith on the part of  
the members of the football squad and would like  
to help them as much as possible.

Yours faithfully,

Wilfrid Bovey.
