

M.B. confers upon its holder the same privileges as those enjoyed by a Master of Arts, giving him a seat in convocation, &c. &c., he is required to have previously taken the oath of allegiance and supremacy, and to have subscribed the following declaration:

"I, A. B. do willingly and heartily declare that I am truly and sincerely a Member of the United Church of England and Ireland."

No degree whatever is granted by Trinity College under different regulations.

### FOR THE DEGREE OF M.B.

Candidates for this degree are required to have been engaged in their professional studies during four years; they must have kept terms in college during one year, and previously to entering, they must have passed—as is also required of Students in the other Faculties—an examination on the following subjects:

DIVINITY—SCRIPTURE HISTORY AND THE GOSPEL OF ST. LUKE, IN GREEK.

CLASSICS—PLATO, APOLOGIA SOCRATIS;—CICERO DE AMICITIA ET DE SENECTUTE;—LATIN PROSE COMPOSITION.

MATHEMATICS—ARITHMETIC.

EUCLID—BOOKS 1 & 2.

|            |   |                           |
|------------|---|---------------------------|
| ALGEBRA .. | { | FIRST FOUR RULES,         |
|            |   | FRACTIONS,                |
|            |   | GREATEST COMMON MEASURE,  |
|            |   | LEAST COMMON MULTIPLE,    |
|            |   | INVOLUTION AND EVOLUTION, |
|            |   | SIMPLE EQUATIONS.         |

N. B. Particular attention will be paid to grammatical accuracy. The whole examination will be conducted on paper. While residing in College, during the first year, they must pass the examinations prescribed for Students in Arts, and further, they must attend in the Medical Department the courses of lectures on Chemistry and Materia Medica. At the expiration of the fourth year of study, dating from the time of entering to the lectures on Chemistry and Materia Medica, provided that they shall then be of the age of 21 years, and shall have passed, to the satisfaction of the Medical Faculty, the two examinations in Medicine, as prescribed below, they shall obtain from the University a license "*ad practicandum* in Medicina," which shall be exchanged, after the expiration of two years more, for the degree of Bachelor of Medicine, without further examination or expense.
