

Rock on Which Station Negotiations Are Wrecked—Prince Arthur Disappoints.

Hamilton, April 17.—(Special.)—The Cataract Power Company will not build its \$250,000 Union Station this year at least. As a condition to the building of the station the company insisted upon the council being in terms now upon which the radial railway would be given the use of King-street after 1928. The company made an offer of what is estimated at about \$8000 a year, but the finance committee and board of works insisted that the terms should be left to arbitration in 1928. Neither side was to give in, and Col. Gibson announced that the station will not be built. There were ten aldermen present, and they all voted against fixing the terms now.

THIS IS THE BACK VIEW OF OUR CLUB COAT. We have introduced a new style of Coat called the CLUB or French Back Coat. This is a distinct departure from the Newmarket, and a much prettier coat. We have it in several different cloths including the Cravenette, and priced to sell from \$10 to \$18.

COME IN OAK HALL CLOTHIERS. Right opp. the Chimes. King St. East. J. COOMBS, Manager.

IMMIGRANTS SEEK SHELTER AT EXPENSE OF THE CITY

Report of House of Industry Board Shows Assistance Given to Penniless New Arrivals.

That Toronto has become a dumping ground for old country people who have come to Canada with barely a penny in their pockets is revealed in the report for outdoor relief, read by Rev. Dr. Gilray at the annual meeting yesterday of the board of management of the House of Industry. During the last year 729 immigrants have been given a night's shelter, some even a week's protection, at a cost of \$1425.68. The total number of nights credited to these immigrants is 8289, which is more than half the number provided for those who come from outside the municipality.

The board of management of the House of Industry, during the last year 729 immigrants have been given a night's shelter, some even a week's protection, at a cost of \$1425.68. The total number of nights credited to these immigrants is 8289, which is more than half the number provided for those who come from outside the municipality.

ENLARGING GRACE HOSPITAL

Over \$200,000 to Be Spent in Providing Needed Accommodation. Grace Hospital is to be remodeled and enlarged at a cost of between two and three hundred thousand dollars. Already the board of governors have subscribed \$100,000 towards making the institution the most modern in the city. The remainder will be forthcoming by private subscription, and the work, which has been precipitated by the great demand on the present capacity, will be rushed thru. Already a pathological department, equipped with the newest appliances, has been established, and is nearly completed. It is expected that the new building, which will be as large as the present building, and have a capacity for over one hundred patients, will be completed by the first of October at the latest.

CITY MONEY AND CHARITY INCREASES ARE REQUESTED.

Controllers Will Deal With the Subject at Special Meeting—Notes From City Hall.

The claims of the various city charities will be taken up in a sympathetic mood by the board of control at a special meeting. This was decided upon by the board yesterday afternoon, when several applications for increases were made.

The Toronto Relief Society, represented by Mrs. Forsyth Grant, and Mrs. J. A. Paterson, want \$2000. They got \$1000 last year. Ladies visit poor people and help the needy. The Infants' Home, represented by Mrs. Boudreau, want \$400, because \$200 was not enough last year. Ladies have to make up a big deficit from their private means.

Mrs. Kerr wanted an allowance for the Prisoners' Aid, and the East End Day Nursery, thru Mrs. Macdonald, asked an increase of \$100. Col. Pugmire asked an additional grant of \$250 for the Salvation Army's woman's Rescue Home, which had several new branches.

At Farley-avenue home 40 women per night were sheltered last winter. At Eastern-street barracks 25 girls and 22 adults at the Yonge-street home provision was found for 10 children. Hugh Macdonald, in charge of the Prisoners' Aid, and Mrs. H. C. Hocken, in charge of the East End Day Nursery, are in consideration of the good work. The board did not discourage applicants.

Island Committee. The island committee held a session yesterday afternoon. L. Egin wrote during the winter his residence at 11 Hooper-avenue had been entered and eight pictures stolen. Mr. McBride remarked that only about half the cottages on the island had been robbed this winter. Two old cottages to the east of Turner's Baths will be pulled down. The committee endorsed an expenditure of \$150 for surveys of marks on the island. The surveyors on the island will be ordered to set up all back rents whether there was a 21-year lease or not. E. C. Hocken asked that the lagoon be cleaned out before residents arrive in the spring to prevent an epidemic of typhoid.

Will Oppose Bell Bill. The mayor and one of the controllers.

Chamberlain Chapter. The final meeting for the season of Chamberlain's Chapter, D.O.E., will be held in the Conservatory of Music Hall to-day at 3 o'clock. Miss Wilmot will read a paper on "Imperialism" that is being looked forward to.

1-30th of the entire Quinine production of the World is consumed every year by the makers of Laxative Bromo Quinine Tablets.
