

"THE STORY NOWHERE LACKS IN INTEREST."—St. John (N. B.) Telegraph.

## "TWO K,"

A NOVEL,

By WATSON GRIFFIN.

PAPER, 25 CENTS.

CLOTH, 50 CENTS.

GRIFFIN & KIDNER, Publishers, Hamilton, Ont., Canada.

### Press Notices:

"A most interesting and striking story. The scene of the novel is laid in Canada, and the incident, scenery and conversations are managed with tact and skill. Mr. Griffin writes with great taste and spirit. His entire work is very even, and we may, without hesitation, declare this story to be one of the brightest bits of Canadian fiction that we have yet seen in English. The philosophy is charming. It is a real credit to the author and to the country. The love making is particularly well done."—*The Chronicle, Quebec.*

"An ingenious and interesting story. But who is Twok? The chain of events which led to her identification is skilfully linked together, and the career of Trenwith, as related by himself, is highly sensational. The book is not faultless (what book is?). But it has the main merit of being entertaining, and that is a virtue in a writer that covers a multitude of sins. Mr. Griffin has originality, constructive ability and considerable tact as a story teller."—*Montreal Gazette.*

"The plot is cleverly constructed and the characters are drawn with a bold hand. Twok cannot but exercise a wholesome moral influence on those who read it. It is manifestly the production of a man with broad and liberal views. The mind that planned such a literary structure is not contracted by the silly religious prejudices of modern times. Such books as Twok are certainly calculated to make men happier, better and wiser."—*Quebec Herald.*

"'Twok' is the odd title of an interesting book which has just come to us from the pen of Mr. Watson Griffin. It presents a good deal of originality of thought, though somewhat heterodox on many points. The tone of the book is pure, its ideas bright and wholesome, its characters well chosen, and it is well worth reading."—*London (Ont.) Advertiser.*

"The heroine is Twok, and from the moment she is introduced to the reader interest in her never abates. Mr. Griffin outlined a plot with rare skill, and marshalled his characters with consummate ability, the result being a book of intense interest."—*Toronto Mail.*

"'Twok' is the decidedly odd title of a domestic story, somewhat out of the common run. The scene is Canadian, and this not very usual locale for a work of fiction gives the scheme novelty, which is enhanced by numerous clever, realistic touches. The book is markedly religious in tone, yet is not wanting in vivacious incident."—*American, Philadelphia.*

"'Twok' is as strange as its name. It is not to be classified exactly with anything in literature that we know of, and we are uncertain whether we like it or not. It is the story of two waifs, and just as we begin to find it a little tedious, something crops out here and there to arrest attention, and make one reflect that perhaps after all it is a remarkable book."—*The Critic, New York.*

"'Twok' is a story of Canadian life. Its scenes are laid in Ontario, and its characters are cleverly sketched. Sometimes the author indulges a little in sermonizing, and his descriptions are often overdrawn, but the whole story is well told."—*Scottish-American, New York.*
