BY HON. T. W. MCGARRY  
AT MARMORA RALLY

Also Says There Will Be No Convention—  
Premier Hearst Announces He Will Abide  
By Will of People Regarding Prohibition.

Special to The Toronto World.  
Marmora, Ont., Aug. 20.—At Gus  
Porter's picnic here today Premier  
Hearst was, in the words of Mr. Porter  
himself, the piece of resistance. But  
the premier confined himself in the  
main to a category of legislation for  
which his government takes credit.  
There were several thousand people  
characteristic good nature and took  
several swings at Hartley Dewar. He  
also paid attention to The World's call  
for a Conservative convention which he  
said will not be held. He was vague  
about the date of the election, which  
Gus Porter told the audience would  
come in a very short time. Premier  
Borden, Sir Sam Hughes and Hon.  
Hugh Guthrie were unable to be present.

**RELEASE ORDERED**  
**OF SEIZED SUGAR**

4,500,000 Pounds Confiscated  
in Boston Warehouse Was  
for Export.

Fall River, Mass., Aug. 20.—Release  
of the 4,500,000 pounds of sugar seized  
by federal officials at a Boston ware-  
house yesterday was ordered by Judge  
Morton of the United States district  
court at a special hearing here today.  
The statement of the Commercial Union of America  
that the sugar was intended for export and  
that no effort had been made to con-  
ceal it, or to dispose of it except under  
agreements made two months ago, was  
accepted by representatives of the  
United States attorney's office and an  
agreement reached for release.

**WHEAT PRICES**  
**PROVE PROBLEM**

Grain Dealers Cannot Fore-  
tell Effect of Fixed  
Minimum.

Ottawa, Aug. 20.—No official notice  
has been reached the department  
of trade and commerce of the fixing  
of the price to be paid for wheat im-  
ported to Great Britain by the British  
wheat commission. A London  
cable this morning said a maximum of  
\$1.30 per bushel for Canadian wheat  
had been decided on. This, with the  
fixed initial payment of \$2.15 to Can-  
adian farmers by the Canadian wheat  
board of control, would mean a serious  
financial loss to be adjusted. It is  
expected that an official explanation  
will be forthcoming shortly.

Reports to U. S. Attorney-  
General Indicate That Fair  
Price Boards Are Being  
Established in Many Places  
and Pledges Obtained From  
Dealers to Abide by De-  
cisions.

Washington, Aug. 20.—Attorney-  
General Palmer said today there was  
evidence that the government cam-  
paign to reduce the cost of living al-  
ready was bearing fruit. A prominent  
vegetable packer of Maryland wrote  
Mr. Palmer that prices in many lines  
were beginning to ease off as it be-  
came evident the department of jus-  
tice meant business in announcing  
that criminal prosecutions against  
hoarders and profiteers would be in-  
stituted where the laws were violated.  
The attorney-general and Judge  
Ames, his assistant, drew distinctions  
which they said the public should  
recognize between hoarded food and  
stored food. The former is held out  
of the market in greater quantities  
than required for the owners' business  
for the purpose of forcing up the  
market. The latter is surplus being  
husbanded from the harvest to the  
lean season.

**U.F.O. IN GLENGARRY**  
**REJECT NOMINATION**  
**OF MACKENZIE KING**

Select J. W. Kennedy for Fed-

Ross for Provincial.

Special to The Toronto World.  
Alexandria, Ont., Aug. 20.—A con-  
vention was held at Alexandria today  
by the United Farmers of Ontario of  
the Dominion riding of Glengarry and  
Stormont to nominate a candidate for  
the constituency in the house of com-  
mons, rendered vacant by the death  
of the late John McMartin; also to nom-  
inate a candidate for the provincial  
riding of Glengarry for the Ontario  
legislature. There was a large at-  
tendance, every division in the riding  
being represented, except the town of  
Cornwall and one division, Moulintown,  
in the township of Cornwall. It was  
one of the largest political conventions  
ever held in the county. The chair was  
occupied by S. J. MacDonald of  
Monklands, U.F.O. director for the  
county. At the opening of the proceed-  
ings the chairman said that M. E. Costello,  
barrister, Alexandria, ex-pres-  
ident of the Liberal Association, desired  
to read a letter from Hon. Mackenzie  
King. Permission was given and Mr.  
Costello explained that after the con-  
vention had adjourned, Mr. King was ap-  
proached and asked if he would ac-  
cept the nomination for Glengarry-  
Stormont. He replied that if he re-  
ceived the nomination, but said he  
could only accept if it were made un-  
animously at a regular convention of  
the party. As leader of the Liberal  
party he could not consider a nomina-  
tion that would be in any way antag-  
onistic to the farmers' movement. He  
proceeded to read a letter from Hon.  
Mackenzie King, which was ac-  
cepted by the convention.
