**DEATHS SUDDEN AND TRAGIC MADE YESTERDAY BUSY FOR CORONERS**

**William Coleman Dies in Police Ambulance Two Hours After Wishing He Was Dead.**

**WOMAN ATTENDS FUNERAL, AND DIES IN THE EVENING**

**Man Falls Dead on Street—Respon- dent Foreigner Ends Career With a Razor—John Moran Found Dead in Bed.**

"I wish to God I was dead!" said William Coleman, when Constable Hamilton took him in charge at 3 o'clock yesterday morning. Two hours later his wish was granted in the ambulance while on his way from No. 1 police station.

William, or "Billy" Coleman, as his acquaintances called him, has been a well-known character in Toronto for years. He was about 64 years of age and leaves a widow, who resides on Oxford-street, John B. Anderson, 221-2 Alice-street, is a brother-in-law.

The deceased at one time took an active interest in politics, especially in Ward 3. Some 30 years ago he organized an amateur minstrel organization, which became popular. He was afterwards associated with the late "Cool" Burgess. Several who were members of his amateur troupe became prominent as professionals.

After Coleman had been in the cell for a time it was noticed he was appearing ill. After being placed in the ambulance he did not talk. P. C. Harrison, who accompanied him, noticed him place his hand on his heart. When they attempted to remove him into the hospital he refused to go.

Coroner Johnson will hold an inquest at noon to-day in the morgue. The mourners' union, of which Coleman was a member, will take care of the remains.

**Woman's Sudden Death.** Having attended the funeral of Mrs. Adam Bell of 116 Lipson-street, mother of Mrs. William Keating, 377 Lansdowne-avenue, in the afternoon, Mrs. Elizabeth Keating Crowe of 270 Avenue-road, aunt of Mr. Keating, died suddenly at her home last night. It is less than three weeks since Mr. Bell died.

**Foreigner Satisfied.** Despondent and in hard luck, Isaac Golgots, a native of Poland, cut his throat with a broad saw. He boarded with Charles Swinton, 31 Agnes-street. When the other inmates of the room woke about 5 o'clock they found Golgots saturated with blood. Dr. J. M. Johnston, 25 Elm-street, was sent for, but the man was dead when he arrived.

The deceased a few days ago received a letter from his wife asking him to return to Poland. He had no money.

Coroner Johnson decided an inquest was not needed and allowed the body to be taken to the morgue where it would be buried before sun-down according to their custom.

**Was Not Asphyxiated.** Coroner McConnell held an inquest last night on John Moran. The jury decided that death was due to natural causes.

Decided, who lived at 13 Ostrale-avenue, was found dead in bed by his wife yesterday morning. It was thought at first that death was due to suffocation. When the coroner arrived he left the gas burning. During the night the light went out, it was claimed, owing to the pressure being put on the gas pipe.

The post-mortem, however, showed death due to heart trouble and not to gas poisoning.

**Dropped Dead.** Joseph Smith, age 35, who lived at the King-street Mission, dropped dead in Kentworth-avenue yesterday morning. Henry Sullivan, who works for the Consumers' Gas Co., was walking behind Smith at the time and saw him fall. The body was taken to the morgue. Coroner Greig decided an inquest unnecessary.

**Accidental Death.** Coroner Elliott enquired into the death of Daniel Griffin, the brakeman, who was injured at Mimico last week, and died in St. Michael's Hospital. The jury brought in a verdict that he received his injuries purely accidentally. The evidence showed he was riding on a foot board of the engine and slipped. Also riding there against the rules of the railway company, it is a common thing for brakemen and yardmen to do so.

**Inquest Adjourned.** Coroner Young resumed the inquest on the infant found in the yard at 108 Beverley-street, and adjourned it for three weeks.

**JUDGE OF VICTORIA COUNTY.** Lindsay, Oct. 25.—(Special).—The vacancy in the position of police magistrate for Victoria County, caused by the death of the late J. McSweeney, has been filled by the appointment of F. D. Moore.

Mr. Moore is well and favorably known in law circles throughout the province. He received his earlier education in Peterboro, but studied law in Toronto, being called to the bar in 1874.

**DR. WELDON'S PROGRESSIVE PLATFORM**

**Conservative Candidate in Queen's-Sheburne Promises, if Elected, To Use His Influence in the Direction of Lessening Influence of Unscrupulous Corporations, and To Do Some Real Service on Behalf of the Public.**

Halifax, N.S., Oct. 25.—(Special).—Dr. Weldon, Conservative candidate in Queen's and Sheburne, has issued a manifesto as follows: "Gentlemen,—Having accepted the nomination of the Liberal-Conservatives of your constituency as candidate for the election to be held on Oct. 31, I beg leave to ask the support of all who are in sympathy with the views herein set forth, and who believe that, in the event of victory we will do our best to keep our word.

"I regret that the government have allowed so few days to hear the candidates and their friends discuss the momentous issues which are before us. It will be impossible for me in the short time allowed to meet personally any considerable part of the electors, but we shall hold as many meetings and see as many of the electors as possible.

"I elected I will use my influence in parliament to secure clean elections and thereby lessen the influence of unscrupulous corporations; lighten the burdens of the common people; check the shameful waste of the people's money; drive out of the public service the many thieves whom the Laurier government has allowed to fatten at our expense; help our fishermen to secure better markets; bring into the eastern provinces immigrants where needed; amend the life insurance laws and insure safer policies and lower premiums; and secure the repeal of the Indemnity Act of 1905."

**GOVERNMENT IS A MOCKERY TOM MURRAY FOR NEW PARTY**

**Liberal Candidate in North Renfrew Suggests Revision of Constitution with View to More Practical and Honest Government.**

Ottawa, Oct. 25.—(Special).—Tom Murray, ex-M.P., defeated Liberal candidate in the North Renfrew by-election, says in that constituency alone during the last ten years between the candidates for the house of commons THERE HAS BEEN EXPENDED OVER \$200,000 TO CORRUPT THE ELECTORATE. "It is out for clean elections.

"Give us a patriotic national party for the Dominion," he says. "In my opinion the whole machinery government to-day, and procedure of parliamentary elections in Canada, is simply a mockery on patriotism, religion and Christianity. The question is, What is to be done? What can be done? Will the people of Canada tolerate such work, or will they unite as one man and assert their manhood—yes, assert their rights as free citizens?"

"I would suggest a revision of the constitution with a view of more practical, economical and honest government; abolition of the senate, or if it is to be in existence, for my own part I do not think it should, then let it be responsible to the people."

**BORDEN IN NORTH BRUCE SCORES ON AYLESWORTH**

**Public Opinion More Important Than Strict Procedure in Corruption Revelations.**

Warton, Oct. 25.—(Special).—A fine meeting in the interest of Abram McLeellan, the Conservative candidate in the by-election, was held here to-night and was addressed by R. L. Borden, leader of the opposition in the commons. Dr. Sproule, M.P. (South West), and William Jackson, M.P. (West Elgin), were also present and delivered short speeches. The chair was occupied by James Hunter.

Mr. Borden's speech was one of the most forcible arraignments of electoral and administrative corruption ever heard in this riding. He devoted some attention to Mr. Aylesworth's speech of last night and was loudly applauded when he declared that Mr. Aylesworth would some day learn that the demands of public opinion were of more importance than the carrying out of the exact letter of the law.

The exposures of the last session at Ottawa formed the text of Mr. Borden's speech, and he characterized them as more scandalous than anything that had ever taken place in the history of Canada.

He did not blame the government because some of its ministers had indulged in work of this kind or in scandalous extravagance and granting of raffle-tickets to middlemen, but when these matters were brought to the attention of parliament and of the government by an opposition, that government would be derelict in its duty if it did not have them probed to the bottom. The fault should be placed in the right quarter and justice meted out.

**Cost of Light Cut in Two Cataract Co. Quits Field**

**St. Catharines Will Pay Less Than \$40.00 a Lamp for 75 Arc Lights, the Present Price Being \$72.50.**

St. Catharines, Oct. 25.—(Special).—St. Catharines has every prospect of securing 75 arc lights for street purposes at a price less than \$40 per light.

The special committee of the city council, of which Ald. Harry Southcott is chairman, opened two tenders, one from the Stark Company and one from R. F. Carter of Niagara Falls, and while the prices were not made known, it was stated that the figure would be less than at Welland, where the Stark Company got the contract this week at \$40 for 20 lamps. It is understood the Stark Company is the lowest tender.

The Lincoln Company, controlled by the Cataract Company, which now holds the franchise, did not tender, as they claimed they were not fairly treated in the extension of time for submitting tenders.

The city is paying the Cataract Company \$72.50 a light. The committee will now obtain rates for street lighting from the natural and manufactured gas companies, and from the tendering electrical companies for incandescent lighting and power for manufacturing purposes, and they confidently expect to decrease the cost to the citizens also very materially. At the present time, those who are using the incandescent lights furnished by the Cataract Company are paying a meter rate of 10 cents per kilowatt hour per lamp, and 25 cents a month meter rate, while the meter rate is 13 cents per lamp per month for a 5-candle power lamp, the schedule rising gradually to 61 cents per kilowatt hour for a 32-candle power lamp. At Welland the Stark Company have agreed to furnish incandescent lighting for 6 cents per kilowatt hour and to cut the flat rates paid locally in two. It is on this ground that the locally committee base their hope.

**EDUCATION BILL IN LORDS FOOD FOR CONTENTION IN RELIGIOUS CLAUSE**

**Unionists, Under Leadership of Church Dignitaries, Determined to Amend It to Provide for Denominational Instruction in Schools.**

London, Oct. 25.—The crucial stage of the education bill was reached to-day, when the measure came before the house of lords for detailed debate.

Unless the peers should decide to postpone consideration of the bill until a judicial decision is rendered upon the question of the liability of local educational bodies for the expenses of religious education, the upper house is likely to be the scene for some time to come of the bitterest legislative fight witnessed in the British parliament of recent years.

The bill bristles with contentious points, but the main battle centres on the clauses relating to religious instruction. The Liberals are allegedly immovably pledged that there shall be no denominational teaching at the public expense, while the Unionists, under the leadership of great church dignitaries, both Church of England and Catholics, are outwardly as unalterably determined to amend it so that children of parents belonging to these churches shall have denominational religious instruction during school hours.

The debate is expected to last three weeks.
