DROP ON A CORN! LIFT CORNS OUT WITH FINGERS

Hurt? No, not one bit! Just drop a little Freezone on that touchy corn, instantly it stops aching then you lift that bothersome corn right off. Yes, magic! Costs only a few cents.

Why wait? Your druggist sells a tiny bottle of Freezone for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without soreness or irritation. Freezone is the much talked of discovery of the Cincinnati genius.

BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

Look, Mother! Is tongue coated, breath feverish and stomach sour?

Cleanse the little liver and bowels and they get well quickly.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When a child is cold, listless, pale, doesn't sleep, eat or act naturally, if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs," to evacuate the bowels, no difference what other treatment is given.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company."

A hard cough

that tears you every time it comes, yet persists in coming, usually disappears under the healing power of Robert's Syrup of Cod Liver Oil and Tar. The nauseous effect of the oil having been removed, the attractive principles remain to build up wasted strength, drowsily powerful corrector for the irritation, set up by Coughs, Colds or Bronchitis.

CAPT. MINARD TO SUPERVISE SOLDIERS' RE-ESTABLISHMENT

London Officer Appointed To
Take Charge at
Windsor.

WINDSOR, Jan. 23.—At a salary of \$2,500 a year, Capt. Asa Minard, chief inspector of Dominion police in Western Ontario, has been appointed permanent secretary for soldiers' re-establishment at Windsor. Capt. Minard is now stationed at London.

As secretary of veterans organization, Capt. Minard's duties will include establishment of a labor bureau at Windsor for soldiers, will not only be assisted back to civil life, but advised as to what occupation to follow.

Capt. Minard is an American, who enlisted in one of the American legions, and that was recruited at Windsor and Toronto. Two of his sons were also in the ranks of Canadian armies, one of them making the supreme sacrifice.

ANNUAL OYSTER SUPPER ENJOYED BY LAMBETH CLUB

LAMBETH, Jan. 23.—The Farmers' Club of Lambeth held their annual oyster supper and concert on Tuesday evening, and the whole countryside turned out for a good time. The oysters and many other good things were served in an excellent manner in the hall over their warehouse, and the program was rendered in the Masonic Hall.

Every available space was used to seat the people, and standing room was at a premium. In fact, many did not get inside the door.

Mr. White, manager of the Farmers' Advocate farm, occupied the chair, and gave a brief address, in which he explained the object of the "Farmers' Clubs." He then introduced the following persons, who entertained the audience with choice selections until after midnight:

W. Baker, with his Victoria; Mrs. Allen and Miss Sanderson, with readings; Mrs. H. Ryckman, Mrs. E. B. Hunt, Miss James, P. Howlett, E. A. Hunt, and E. S. Hunt with songs, and Miss Pack, instrumental; Messrs. Davidson and O. R. Hunt, accompanists.

One pleasing feature was the address given by Mr. Barnaby, president of the Farmers' Co-operative Company, Toronto. In a pleasant manner he gave a brief history of the organization of the Farmers' Clubs, the United Farmers' Co-operative Company and the Farmers' Printing Company. He explained the advantages of farmers uniting for their own protection, the opposition experienced so far, and what may be expected from those who wish the downfall of the organization.

After a vote of thanks was tendered to all taking part the meeting closed.

CLINTON WANTS GUN TAKEN BY CORP. MINER

CLINTON, Jan. 23.—The Canadian war trophies still at the base in France awaiting disposal, is the information contained in a letter to C. W. Thompson, from Lieut. Charles G. Johnston, of the 38th Battalion. The letter is in response to a request made by Mr. Thompson when mayor of this town to have the machine gun, captured by Corp. Miner, V. C., brought to Clinton. Corp. Miner trained in the 1stst Huron Battalion, but his parents live in Chatham, and the people of Chatham have also put in a request for the gun trophy.

All captured trophies are still held at the base in France, although it is evident that arrangements will shortly be made for their disposal. The letter concludes:

Activity in the municipal yard, in rear of the town hall, indicates there will be ample warmth available for Clinton homes for the rest of the winter. Through the action of the fuel committee of the council 300 cords have been cut and drawn from the bush, and the work of sawing it into foot lengths commenced today.

It is being sold at \$3.50 a short cord. Coal retails here at \$12.75 a ton, and is scarce, but not inconveniently so, because of the 12 cars of soft coal with which the municipality supplied itself before the cold weather set in. About two-thirds of the supply of soft coal has already been delivered from the old rink, which was used as a storehouse.

F. Watcher, B. Marsh, S. Jackson, A. McCallum, D. Jackson, T. W. Morrison, H. Longfield, C. Rath and C. Venning.

A HOMEMADE GREY HAIR REMEDY

You Can Make at Home a Better Grey Hair Remedy Than You Can Buy.

Grey streaked or faded hair is not only unbecoming, but unnecessary. You can darken it without using a dye.

"Anyone can prepare a simple mixture at home, at very little cost, that will darken grey hair, and make it soft and glossy. To a half pint of water, add 1 ounce of bay rum, a small box of Orlex Compound and 1/4 ounce of glycerine. These ingredients can be bought at any drug store at very little cost, or the druggist will put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a grey-haired person look twenty years younger. It is not a dye, it does not color the most delicate scalp; is not sticky or greasy and does not rub off."

SATISFACTORY REPORT FOR CARMEL CHURCH

HENSALL, Jan. 23.—Sergeant Thomas Sheritt, a Hensall boy who enlisted with the 1stst Huron Battalion, was a fine recipient of some effort may be made to have the work of road improvement in this county started at an early date to provide employment for returning soldiers.

The annual meeting of Carmel Presbyterian Sabbath School was held on Wednesday evening, followed by the annual meeting of the congregation. The attendance was large and all the reports showed the progress made during the past year. The giving in the Sabbath school nearly doubled those of the former year, while the attendance was much larger.

The congregational reports were also most gratifying, the mission and other charitable giving being very large. The attendance also of the congregation is considering the erection of a fine new cement shed, and a committee was appointed to look into the matter and make plans for the shed. The reports from the different societies were read, the officers were all re-elected.

It was moved by Mr. Ramsey and seconded by Mrs. Herbert, that a

secretary-treasurer, Miss Cella W. Neely, auditors, J. W. Hunt and S. Shaw.

Delegates, H. Matthews and A. E. Jackson were appointed to attend the district association to be held in London on January 30, and R. J. Clifford, Charles Rath and the secretaries were appointed to attend the Ontario Pairs Association convention to be held in Toronto on February 12 and 14.

The directors decided to conduct a standing field crop competition on corn and oats in 1919.

HURON TO HAVE 75 MILES OF GOVT. ROADS

GODERICH, Jan. 23.—Interest in the matter of county roads has been re-awakened here by the announcement that work on national highways construction would commence at once Huron will likely have about 75 miles of highways under the Government plan, the roads from Leicester to Wingham and Goderich to Seaford.

The county council, which is to meet next week, will receive a report from the roads committee on the matter, and it is probable that some effort may be made to have the work of road improvement in this county started at an early date to provide employment for returning soldiers.

At least one appointment will have to be made by the county council this session. A manager for the house of refuge at Clinton will have to be named to succeed John Brown, who after three years of office, succumbed a few days ago to a lingering illness.

Mr. Brown was formerly a well-known farmer of Stephen Township, and the funeral was held from Dexter yesterday. William Brown and Dean Brown, farmers, near Grand Bend, are sons.

HYDE PARK CHURCH ANNUAL MEETING

HYDE PARK, Jan. 23.—The annual business meeting of the Presbyterian Church was held Monday evening, with a large attendance, the chair being occupied by the pastor, Rev. Mr. Gale. After the reports from the different societies were read, the officers were all re-elected.

It was moved by Mr. Ramsey and seconded by Mrs. Herbert, that a

separate treasurer be appointed for the

missionary contributions. It carried unanimously, Joseph Douglas being the choice of the people. At the close of the meeting a social hour was spent. Justice was done to the bountiful luncheon which the ladies of the congregation had so generously provided.

Mrs. Douglas Ellis, a farmer's wife living on concessions 6, London Township, O. E. Johnson and L. H. Newcombe, ship, while emptying an ash pan slipped on the ice, breaking her arm. Dr. Ross was called and set the fracture.

INWOOD MEN FINED

INWOOD, Jan. 23.—Frank Littlejohn and George Dudley, both of Inwood pleaded guilty to a charge of being under the influence of liquor, laid by Inspector W. Culbert, before Magistrate O. E. Johnson and L. H. Newcombe, and each paid a fine of \$10 and costs.

Vinol will Stop a Cough and Break Up a Cold

A constitutional remedy that removes the cause by building up the system. These elements contained in Vinol—Beef and Cod Liver Peptones, Iron, Manganese and Glycerophosphates—soon create an energy that throws off the cold and prevents its recurrence. It has given ninety per cent satisfaction for sixteen years. HERE IS PROOF:

Dunn, N.C.
"I suffered with a chronic cold for four months, coughed day and night. Had to keep on working when I was not able to. I saw Vinol advertised and tried it, and I want to tell you it made me eat and sleep well, better every day."
—J. C. Bagley, Dunn, N.C.

Lagrange, N.C.
"For years I suffered with a chronic cough, so I could not sleep nights and continued to lose flesh. My druggist asked me to try Vinol. It cured my cough, I can sleep nights and have gained twelve pounds. Vinol is the best tonic and tissue builder I have ever taken."
—W. D. Ren, Lagrange, N.C.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

Vinol Creates Strength
