# Clean Up China and Stop

This presents the Celestial empire in a form of Being a good mould may be better, and making yellow peril much more terrible than we mean by political use of the term. When we consider the hived millions of China, with the national ignorance of the simplest forms of sanitation, it is easy to concur in the declaration of the expert investigators that China is the deadliest of menaces to the health and even the existence of vast numbers of humanity outside her borders. That numbers of humanity outside her borders. That the world has not suffered more seriously from and see the man. The world will not go down on this evil is due partly to the up-to-date sanitary its knees to the man it loves and trusts, but it will minute: and hygienic precautions of western peoples and lift him on its shoulders so that his voice may be partly to the fact that China has been barred from close intercourse with other nations in any lip, but will show something of common feeling was just ready to pick his from close intercourse with other nations in any lip, but will show something of common feeling was just ready to pick him up when the kitten, encouraged by his presence. large degree. ## Canadian Reconstruction Association

## ITS NATIONAL PROGRAMME IS:

- r. To support a tariff adequate to develop Canadian industries and to ensure employment for Canadian workers.
- 2. To create a good economic understanding between East and West and to show the necessity for industrial stability in order that excessive taxation may not fall upon farmers and workers.
- 3. To co-operate in movements to increase agricultural production and improve rural conditions.
- 4. To maintain national credit and to encourage investment in Canada,
- 5. To stimulate the development of natural resources, to promote the utilization of Canadian raw materials, and to encourage final processes of manufacture in Canada.
- 6. To develop domestic and foreign trade and to promote necessary industrial organizations.
- 7. To facilitate the adaptation of war industries to peace conditions and to ensure employment for war veterans and war
- 8. To improve the relations between capital and labor and to emphasize the advantages of consultation and co-operation.
- 9. To enourage scientific research in the interests of Canadian producers and manufacturers.
- 10. To improve the economic and industrial position of women.

The Canada that has been saved by sacrifice and valor must not be destroyed by rash legislation.

## National Prosperity Depends on Industrial Stability
