AGES WOBLE BEHIND SCHWARTZ, SO HAMS SQUEEZE WIN OVER

Each Team Get Five Hits, But Yanks Keep Them Infield.

SAGINAW, July 9.—Reidy and Schwartz engaged in a pitching duel today, the former winning for Hamilton over Saginaw's Aces, 1 to 0, because Schwartz's support wobbled behind him. Vito's error on Zinn's fly in the fourth inning, followed by Corcoran's line drive to centre field, accounted for the lone tally of the game. Each team got five hits, but the Aces drove the ball out of the infield only once. Saginaw filled the bases in the seventh inning with no out, but sharp fielding pulled Reddy out of the hole.

SOX BREAK EVEN.
 BAY CITY, July 9.—Bay City and Brantford broke even in the double-header today, the visitors winning the first contest 6 to 1, mainly due to Laurent's half-hearted pitching, but the Wolves came from behind in the seventh-inning game to win 3 to 2. Cuyler's double, scoring Whaley with the winning run, Brantford used two international league pitchers, formerly with Newark and Richardson, with Syracuse, who joined the team yesterday. Clark, who got by Brantford from a broken leg, had the injured member hurt in the second game and had to retire.

FACTS ABOUT TODAY'S MFRS. ATHLETIC MEET

It is being revived, having been in abeyance since 1915. Jimmy Dellow, twice winner of the Free Press Cup for the modified marathon, will, if he wins today's hike, take permanent possession of the silverware. Some of the best middle-distance runners in the province are taking part in the race. Hugh Tanton, the 100-yard sprinter, who will represent Canada in the Olympic in Belgium, will run in the 100-yard dash, 120 yards, hurdles and quarter mile.

The remainder of the open events have brought forth some of the leading athletes this end of Ontario and record time may be looked for.

Those at Queen's Park to see the events will see the finish of the road race, which includes three laps around the east end track.

And if the meet is well supported, it will be a great boost for factory athletics in London, a splendid thing for London's factories and a splendid thing for London as a city.

DEVINE'S HOME RUN GIVES LEAFS A WIN, KAUFF SCORES TWO

Ex-New York Giant Plants One Into Toronto Bay.

 BUFFALO, N. Y., July 9.—Buffalo won out over Reading today, 9 to 3, after the Marines had gained and led the lead in the seventh.

NUMATICS TAKE TWO.
 AKRON, July 9.—Akron won both games today, 3 to 2 and 11 to 6. The visitors called in both games, but just enough to make the difference.

 The Tecs came home for a stay of 21 games. The Aces are the first place team.

Bay City was glad to bid the Tribe goodbye, the strain of playing host being too much for them.

The Sox are sure running in hard luck, and Stupp's loss is the worst yet.

There's a slight suspicion in the mind of Harris Walsh of Brantford that well-headedness exists here over the London ball club.

If Shag would break a leg or something there'd be a chance to agree with Brantford that everything points to the Sox and Tecs for it. The Tecs are sandwiched in there, and they are bad losers.

Two Homers With Vedic Errors Add One More Scalp, 8-5

Four Baggers Scored by Briger and Crichlow—Carmen Allowed Nine Hits, One Bodecker's Homer.

FLINT, July 9.—Wild umpiring, together with Johnson's deliberate error when he allowed Netzke to run home from first on a passed ball, a wild pitch by Hayes in the second inning, coupled with Honick's slumber with the pill in his hand on two occasions, when he allowed base-runners to do as they pleased, cost the Vedic the loss of last night's game to London by 8 to 5.

Red Hayes was wild and sloppy, the latter having lost his head in the third inning, coupled with Honick's slumber with the pill in his hand on two occasions, when he allowed base-runners to do as they pleased, cost the Vedic the loss of last night's game to London by 8 to 5.

AS YOU WERE

Georges Carpentier, he make for ready to go on sea voyage to la Bell France. And everything points to Monsieur Georges not taking any more sea voyages for quite a long time. In fact, the tide the last few weeks has turned in Dempsey's favor, and he's pictured in New York with tears in his eyes asking for a chance to lick the Frenchman. Carpentier was pictured a few short months ago as fearful with chagrin because Jacques Dempsey could not fight him. Georges would preserve a discreet, modest silence until the cloud disappeared over Dempsey's bullet head. Georges started right in by preserving all the space in the newspapers to himself, and a lot of American dollars. Just when the clouds are in the act of disappearing so is Georges.

It's an unenvying, sad spectacle to picture Kearns, the manager of Dempsey, the champion of the world, grovelling in Broadway for one little chance at Carpentier.

"We'll fight you in Europe," quoths Descamps. But Kearns turns sea sick green at the very idea. Anybody can have a guess whether it's at the prospect of a sea voyage or a fight.

Today sees the revival of the manufacturers' athletic meet after a four-year lay-off. No city has led the way in industrial athletics more than has London in the past, and this meet is a tribute to the far-sightedness of large employers in London who seek to provide healthy games for their employees. Physical fitness and makes its impress in the factory as well as anywhere else in increased efficiency and snap. That it appeals to the employees is evidenced by the entries listed and to enthusiasm of the entrants.

Aemilius Jarvis, Toronto yachtsman, after a few weeks spent on Shamrock, the Lupton challenger, says he favors the British craft, but he isn't boastful about the possibilities, nor would boastfulness be expected in such a sport. The race will be watched by only the favored few. The excursions of the Lupton passenger boats since the General Storemaster have been limited to river and near shore trips, and the rules governing life belts and life raft equipment have been made so strict that only three applications remain for floating grand stands.

ST. MATTHEW'S WIN CONSOLATION TROPHY AT ONTARIO TOURNEY

Balance of Doubles To Be Played in Toronto.

NIAGARA-ON-THE-LAKE, July 9.—The consolation cup at the O. B. A. tournament here was won this afternoon by W. L. Hogarth's St. Matthews rink, after a hard game with Skip T. M. Chambers, Hamilton Victorias, who was also runner-up for the consolation last year. The rinks played evenly, but in the last end the Chambers outfit required two to tie and three to win. One was the best they could do, however.

Rain again interfered with the tournament after intermission, a heavy downpour about 4:30 forcing the players to stop. As a result the rinks left in the doubles competition are Toronto men. It was decided to play the balance of the doubles in Toronto. The singles will likely be finished here, because outside men are still in the competition. Consolation final—Score by ends:
