

JEWISH WORKERS NEED \$60,000 TO ATTAIN OBJECTIVE

Inclemency of Weather Hinders Efforts of Relief Campaign Canvassers.

FINAL EFFORT TODAY

The inclemency of the weather was responsible for the absence of some of the Jewish War Relief campaigners from the noon luncheon, yesterday. Nevertheless, the results are still satisfactory, altho a greater effort will be necessary today if the objective of \$200,000 is to be reached before night. About \$138,600 had been collected up to midnight, leaving about \$60,000 to be raised on this, the final day of the campaign.

The workers yesterday were addressed by Rabbi Jacobs and K. J. Dunstan, Leo Frankel, H. Rosenberg, Rabbi, earnest and eloquent as usual, told of his experiences when working on behalf of other such movements in America and called upon the workers to redouble their energy and self-sacrificing labor in order that the campaign will not fall short of its objective. He quoted the testimony of the prophet Jeremiah, who, referring to the destruction of Jerusalem, had said: "It was far better that those who died perished by the sword than from the lack of bread." Rabbi Jacobs applied this saying to the present state of affairs and urged his audience to spare no effort to save those helpless children from perishing from lack of bread.

Beyond imagination. K. J. Dunstan spoke briefly on the conditions in Eastern and Central Europe, stating that "they are as bad as anybody can paint them. They are beyond imagination. He referred to the great battle of Verdun, where the French defenders of the territory had sworn that "they shall not pass" and went on to say that the Jewish people in a great minority, and I fear that many will have this in mind and fail to support what I consider a very worthy cause."

In the evening the following letter was received from the Goodyear Tire and Rubber Company:

"I am greatly in sympathy with the campaign which you have instituted in the way of relief for the Jewish people. The Jewish population is in a great minority, and I fear that many will have this in mind and fail to support what I consider a very worthy cause."

The subscription list for the day includes: Hutter's Clock Co., \$500; James Bros., \$1,000; John Macdonald Co., \$500; Board of Trade, \$500; Prince George Hotel, \$500; Queen's Hotel, \$500; Canadian Kodak Co., \$200; Christie Brown, \$250; A. A. Allen, \$250; Council of Jewish Women, \$300; "A Real Christian," \$500; Evening Telegram, \$500; Toronto I. O. B. B., \$500; S. Smith & Sons, \$250; L. Waldman, \$250; B. Sutin, \$250; W. G. Jackson, \$250; Harry Levine, \$250; H. Rosenblatt, \$250; Mr. Weinreb, \$250; Egmont Frankel, \$250; Max Mehr, \$250; Marcus & Co., \$250; Dr. Lavine, \$250; Harry Samuel, \$200; A. Copelman, \$250.

BOARD EXONERATES ELIX MARKOWITZ

Case Against Court Interpreter Dropped by Police Commissioners.

The board of police commissioners at yesterday's session decided to drop the case against Elix Markowitz, police court interpreter. Walter Curry, M. L. A., had brought up a charge that Markowitz was an undesirable man for this position, but as no one appeared to testify against him, the board regarded the case as withdrawn.

In view of the steadily advancing price of clothing the commissioners decided to purchase all the clothing supplies for 1921, at the present time, so as to take advantage of current prices.

As no appropriation has been made for a theatrical censor, one will not be appointed. The question of unnaturalized aliens was also considered, but any decision was postponed until the matter is more fully gone into.

Wanted Similar Bonus. The commissioners expressed sympathy with the request of the members of the force who had served overseas that they be granted the increase in salary and bonuses received by those that remained at home.

Three resignations of members of the force were handed in. Among them was that of Neil Munn, the popular switchboard operator at No. 1 division, who has been on the force for 15 years. "This is one man we do not like to lose," commented Chief Gratt.

It was heard that he intends going to the northwest. The other two were E.C. Crisp and Montgomery.

Canadian Ensign Chapter

Enjoys Movie Matinee
The Canadian Ensign Chapter "movie matinee" given by the courtesy of the Allen's Parkdale Theatre management yesterday afternoon was a delightful affair, all those present enjoying a very pleasant afternoon. Mrs. Pallist, who had the entire charge of the arrangements, was presented with a sheaf of Killarney roses as a token of appreciation of her indefatigable efforts in war memorial work. Mrs. L. A. Hamilton spoke very convincingly of the aims and objects of the memorial. Frank Oldfield and Nellie Gill sang very acceptably. The proceeds are for the U.O.E. war memorial fund.

AUTO STEALING RAMPANT

Penitentiary for Two Offenders—Burwash and Whippings for Another.

Convicted of the theft of an automobile, housebreaking at 110 Queen street, and robbery of \$110 from a Chinaman at the point of a revolver, James Brown and Douglas Kew were sentenced to three years in Kingston penitentiary by Judge Coatsworth yesterday, who regretted that he could not order a whipping in addition. The accused were also sentenced to one year, to run concurrently with the aforementioned sentence, for the theft of another auto belonging to the Dunlop Dairy Co. Harry Creswell, accomplice of Brown and Kew, and for the theft of an auto belonging to W. H. Banfield, was sentenced to two years, less one day, at Burwash, plus three spankings.

Five other youths charged with five different thefts of autos, were remanded till 6th May for trial.

MOVE TO REDUCE AUTO SPEED LIMIT

Motorists Are Disregarding Regulations to Danger of Public, Say Controllers.

With the purpose of checking speeding and the increase in the number of fatal motor accidents, the board of control yesterday passed a resolution in favor of restoring the 15-mile-an-hour speed limit. The present limit is 20 miles an hour. Mayor Church said the matter should be taken up by the city solicitor with the department of highways at once.

Members of the board expressed the opinion that the bylaw was being violated every day by motorists, but Controller Maguire expressed the view that much could be done in the way of educating the public to cross streets at intersections. People are repeatedly dashing across streets in the middle of blocks without looking out for cars, and the wonder was that there had not been more fatalities. He advocated the semaphore system now in use in some American cities for the guidance of pedestrians in crossing streets.

Chief Grasett, who was called into conference by the board, said the duties of the traffic officers was to control wheeled traffic, if he attempted also to look after the care of pedestrians he would be attending to nothing but one job nor the other. The chief said he has been trying for weeks to get equipment for the signalling system, but had not been able to learn where they are manufactured. He hoped to have a satisfactory system installed very shortly.

WANT TO RESERVE STREETS FOR PLAY

Playgrounds Association Will Urge the City to Act.

The city will be asked by the Toronto Playgrounds Association, comprising close certain streets to traffic at stated hours, and leave them for the sole use of the children as playgrounds. At the annual meeting of the association yesterday a committee was appointed to take the matter up with the city authorities.

The association decided to continue this year the operation of the playground at Evangelia settlement. The question of opening the playgrounds on Sundays will be considered at an early meeting.

On motion of Mrs. Huestis, a resolution expressing condolence in the death of C. A. B. Brown was adopted. It was decided to carry out a survey shortly and the playground activities of the city.

Officers were re-elected and the following names were added to the executive committee: Judge H. S. Mott, T. W. McGarry, K.C., and J. P. Hyman.

Riverdale Reading Club

Hears Suggestions for Season

Riverdale Reading Club met at the home of Mrs. Oakley, 481 Riverside avenue, on Monday, April 19th. The program for next year was discussed. "Cymbeline" was suggested, and a synopsis given by Mrs. Poulton. "The Master Christian" was suggested by Mrs. Blacklock; "Our Canadian Poets" by Mrs. Oakley; "Poems by Jean Bisset and Arthur Stringer" by Miss Peleg; "The Lady of the Lake" and "The Rough Road" by Mrs. Worth; "The Roman Rye" by Mrs. "L'Avengro" by Mrs. Sinclair; "Flowers of Green" by Mrs. Montgomery; "The Taming of the Shrew," "Courageous" and "Neighbors" by Mrs. Blain; "The Typhoon" by Mrs. Macdonald; "The Broad Highway," "Villette" and "Jane Eyre" by Mrs. Barry, who also read the foreword of "The Broad Highway."

An executive committee was appointed to choose a program from the above mentioned books.

OWEN SOUND WOULD BECOME NEW CITY

Owen Sound has growing pains, and at the private bills committee of the legislature today it will seek incorporation as a city. The count and U.F.O. member for North Grey are in favor of the bill, but the county council is active in opposition, and are seeking to have a special clause incorporated in the bill, providing that the city pay a greater proportion to the upkeep of suburban roads than is required by the general legislation governing the matter.

This is regarded by members of the city council as an attempt by the county to have "class legislation" passed in favor of rural communities by U.F.O. administration.

Mayor Patterson, Works Chairman Charles Thompson and labor member John F. Thompson of the city council are looking after the interests, with the assistance of W. H. Wright, K.C., while the county is represented by the warden and a large committee of county councillors.
