

the vertex of infamy is to confer no ordinary boon upon its inhabitants. Thus is your charity "doubly blessed ;" blest in him that giveth and him that receiveth. The Trustees continue to receive very encouraging and satisfactory accounts of most of the children thus provided for. Herewith are submitted detailed accounts of the receipts and expenditure, together with the Superintendent's report of the number of persons relieved during the year. All of which they trust will prove quite satisfactory.

The Directors cannot close the report without expressing the high pleasure and great encouragement they have experienced by the cordial and liberal manner in which the subscribers have continued to respond to the calls made upon them for the support of this charity.

All of which is respectfully submitted.

ANSON GREEN,

*Chairman.*

GEORGE BROOKE,
