

Take the Elevator
and Save Ten

Let's Get Down To Rock Bottom Facts!

HOW much actual overcoat value have you been getting for your money? How much have you been paying for *excessive rents*, *expensive free delivery*, and a score of other *useless expenses* which add nothing to the *value or quality of clothing*.

My Upstairs Price

BEAUTIFUL show windows and free delivery give you *no better material*, but their cost is added to the price. Charge accounts, with inevitable bad debts make tailoring no better, but you pay your share of the *losses*—all this is tacked on the price you have been paying.

My Upstairs Price

My Plan Of Clothes Selling
