## WAS MEMBER OF ORANGE ORDER FOR 64 YEARS

Sons Here Notified of Death  
of Albert L. Duplisa

### DIES IN HOSPITAL IN FREDERICTON

Veteran Had Reached His  
82nd Year—Death Followed  
Operation

Albert L. Duplisa, aged 81 years, a well known native of Fredericton Junction, and for years an outstanding personality in the life of York county because of his widespread charities and hospitality, passed away in the Victoria Hospital, Fredericton, early this morning following a surgical operation. He leaves his wife, five sons and four daughters. Sons living in Saint John are C. A. Duplisa, of the Duplisa Piano Company, and C. J. Duplisa, blacksmith. The Saint John members of the family use the old French spelling of their name. The aged resident was perhaps the most conspicuous figure in New Brunswick Orangism, having joined that order when a mere lad at a meeting held in a village home, aged 64 years ago.

**LARGE FAMILY**  
The other children of Mr. Duplisa are David A., a partner with his late father at Fredericton Junction; John A., with the C. P. R., at Sherbrooke, P. Q.; Frank B., train dispatcher for the Bangor and Annapolis at Bangor, Maine; Mrs. John A. Nason of Fredericton Junction; Mrs. B. B. Jordan, McAdam Junction; Mrs. Frederick Toner, Fredericton Junction; and Mrs. W. F. Blair of Fredericton are daughters. A sister living is Mrs. Frederick Duplisa of Blissville, Sunbury county.

**BROTHER LIVED TO 95**  
The longevity of Mr. Duplisa's immediate family was again emphasized last autumn when his brother Andrew, in his 95th year, fell victim to an automobile accident near Providence and died. Mr. Duplisa, who died this morning, was a well known general blacksmith at Fredericton Junction where he had a lucrative business connection for a large number of years.

**HISTORIC INITIATION**  
Mr. Duplisa's initiation into the Orange Order took place in 1862 in the home of Orlo Hoyt at Hoyt Station, a building which is still standing. Authority for this initiation was derived from a borrowed warrant, Number 11, but later on a lodge was instituted under the name Star of the Boyne, No. 88. When he moved to Fredericton Junction 20 years later Mr. Duplisa transferred his membership to Sunbury Lodge No. 145, upon whose banner he has brought renown in the fraternity for his length of service.

**IN EARLY DAYS**  
Mr. Duplisa was born at Hoyt Station in 1845, his father being John Duplisa and his mother Susan Macdonald. He acquired the elements of education in a log hut under the tutelage of Levi Sharp. Early in his married life he learned the shoemaking trade in which he was assisted by his wife. Mr. Duplisa attended to the shoeing of horses and was a member of the Canadian Railroad, running from Saint John to Mattawankeag. Mr. Duplisa led a strenuous life until an accident on the railway caused him to give up that work.

**ONCE WORKED HERE**  
When the fire of 1877 laid Saint John in waste Mr. Duplisa superintended the building operations for a structure now occupied by the W. H. Hayward Co., Ltd., Princess street. In 1882 he returned to Fredericton Junction where he conducted a wagon-building and blacksmith business up to the time of his retirement. He was the possessor of the 80-year service gold medal, presented by the Grand Orange Lodge of New Brunswick, and has been the recipient of numerous gifts from his friends in various parts of the province because of his distinguished services. Mr. Duplisa's funeral will be held at two o'clock on Sunday from the bereaved home at Fredericton Junction and will be conducted with full Orange honors.

## WATERMEN WOULD WELCOME SERIES

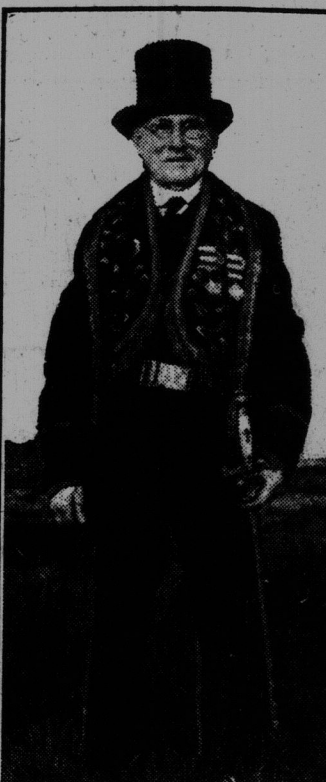

Charlie Gorman Speaks of Suggestion For Games With St. Peters

In regard to a challenge of St. Peter's baseball team to play a series with the fast Water Department aggregation, Charlie Gorman, captain of the Watermen, said this morning that he would be more than pleased to meet the St. Peters in a series in order to show the fans the quality of baseball played by the Water Department team compared with the brand furnished by the Independents. The idea to give the receipts to the orphans was a good one, Charlie said, and he suggested that all the receipts go to that worthy object. If these two teams do meet the games ought to attract capacity crowds as the brand of ball furnished would be of a high class.

### SEE THE FALLS

At high tide the water of the Bay of Fundy reaches a higher level than the water of the Saint John River and for its way through the gorge of the Falls, creating a "Falls" of the water. At low tide the water in the Bay is so much lower than that of the river, that the fall of water is seen and some men even enter the Bay.

## SCHOOL PERMIT APPLICATIONS NUMBER 623

More to Date Than Last  
Year—Free School Book  
Distribution

The number of applications for school permits increased at the office of the Board of School Trustees. Up to noon today there were about 623 applications, an excess of 20 over the number at the same time last year. This will probably mean that more little children are to make their advent into school life next month. In the next two days the full number will be received.

### FREE SCHOOL BOOKS.

The two and a half tons of free school books the school headquarters' staff is about to distribute includes 17,000 separate pieces. They are books of the cheaper classification and not include the large geography, etc. The free books belong to grades up to Standard 8. The gift includes all scholars, regardless of the ability of the parents to buy. This year's distribution is much larger than that of the first year, 1925. Saint John naturally enjoys the largest portion of this gift each issue by reason of its larger number of scholars.

## TRIBUTE IS PAID TO REV. JAMES DUNLOP

Central Baptist Church Sends  
Him Resolution Passed on  
Occasion of Resignation

At the midweek prayer service of Central Baptist Church last evening, conducted by Rev. Dr. Heine, a member of the congregation, a resolution was unanimously passed with reference to the resignation of Rev. James Dunlop. Rev. Dr. Heine is attending the Maritime Baptist convention, now being held in Woodstock, and a copy of the resolution will be received by him today. The former pastor of Central church made his adieu to his congregation at a midweek prayer service a week ago.

### THE RESOLUTION

Central Baptist Church, Saint John, New Brunswick, August 25th, 1926.  
Rev. James Dunlop, Saint John, N. B.  
Dear Mr. Dunlop:—The following is a copy of the resolution prepared by the Board of Deacons of the Central Baptist Church, and approved of by the members of the church at their regular business meeting held on Wednesday evening, August 25th, 1926, which I have pleasure in sending to you at the direction of the church:

"Whereas, our pastor, Rev. James Dunlop, some few weeks ago tendered his resignation as pastor of the Central Baptist Church, to take effect on September 1, A. D. 1926;  
"And, whereas, despite our strong plea that he reconsider his resignation and remain with us, he felt that it was the Lord's leading that he should not tarry;  
"We have therefore reluctantly accepted his resignation and on the eve of his departure wish to add our word of testimony to his rare gifts as a preacher of the Gospel, organizer and leader in the development of the church; truly we can say as we come to the close of his four years' ministry that his preaching has been owned of God, and the fellowship happy.  
"We wish also to add our appreciation of the services rendered by Miss Rita Dunlop in the choir and in the young people's work.  
"And we shall ever pray that the divine blessing may be theirs in their new field of labor."  
Sincerely yours,  
H. A. PIERBLE,  
Clerk of the Central Baptist Church.

## NEW PASS PROJECT

Street Railway Issuing School  
Day Ticket For School  
Children Here

An announcement of particular interest to parents has been made by the New Brunswick Power Company, to the effect that a special street railway pass for school children is being issued. This is something entirely new to Saint John, and is expected to prove a considerable economy to families whose children live at some distance from the schools which they attend. The new pass will allow school children to travel free school days, between the hours of 8 a.m. and 4:30 p.m., and will be sold only at the company's office each Friday afternoon from 3:30 to 4:30. Formerly, school children using passes were called upon to pay \$1.25, the regular pass rate, but the special children's pass will cost only 50 cents, representing a saving of 45 cents a week for each scholar.

### REMANDED IN AUTO CASE.

Joseph Vantassel was arrested last evening by Detective Biddiscombe on a warrant charging him with obtaining money under false pretences. He appeared before Sitting Magistrate Ervin E. Williams in the Police Court this morning and was remanded for three days. It was said that Vantassel had bought an automobile, on which he had not completed payment, and had sold it to Stephen G. Harding, of Fairville, for \$400. Kenneth Wilson appeared for the prosecution.

### BUILDING LAW CONSIDERED.

The regular committee meeting of the Common Council today was taken up with further consideration of the proposed new building-by-law. In the absence of Mayor White, who is away, Commissioner Frink, deputy mayor, was in the chair. Arthur Anglin was present as legal adviser. The matters dealt with today pertained to the storage of explosives.
