AN INQUIRY as to whether the ferry steamer Ludlow could be secured for carrying picnic parties up the river has been received by Commissioner Bullock, he said this morning. The commissioner said he was not inclined to favor the idea, especially as the boat would have to be taken above the Falls and might not be available if wanted in a burry. He said that at one time the ferry steamer which was not being used on the route was used to carry picnic parties to Manawagonish Island.
