LOCAL NEWS

GIRLS IN LEAD
There were nineteen births in the city during the week, nine were boys and ten were girls. Twelve marriages were performed.

HOTEL INQUIRIES.
The secretary of the Board of Trade has several inquiries about hotel accommodation in the city and province, from people in Upper Canada and the United States, who purpose visiting the province during the summer.

FIFTEEN DEATHS
There were fifteen deaths in the city during the week from the following causes: Heart failure, three; senility, endocarditis, chronic myocarditis, two each; convulsions, cancer of uterus, premature birth, arthritis, deformities, accidents, drowning and cerebral hemorrhage, one each.

EXAMINATION ENDED.
With the writing of the Latin paper yesterday morning, the High School entrance examinations were completed. Four hundred and eighty-four pupils took the examination, which is the largest number in the history of the city schools. The school closings will take place on Tuesday.

ORPHANS ENTERTAINED.
Children of the orphanages in the city were guests of the Longshoremen's Association at the World's Standard Shows on the Shamrock grounds yesterday afternoon. They were given free rides on the Ferris wheel and aeroplane and were treated to candy, peanuts and beer. The little ones thoroughly enjoyed the afternoon and those in charge thanked the members of the union for their thoughtfulness and kindness.

NEW PRIESTS TOMORROW.
Rev. Edward Howard, C.S.B., son of Mr. and Mrs. David Howard, Main street, and Rev. John Henry McGuire, son of Thomas McGuire, Chipman Hill, who were recently raised to the dignity of the priesthood at Mount St. Alphonsus Seminary at Leamington, were expected to arrive in the city today on the S.S. Governor Dingley. Father Howard will celebrate his first mass in St. Peter's church tomorrow morning at 10:30 o'clock, and Father McGuire his first mass in the Cathedral at 11:30. Rev. William Hogan, C.S.B., rector of St. Peter's church, will deliver a sermon at Father Howard's mass.

NO NEW CASES
No new cases of typhoid fever have been reported to the Board of Health office since yesterday morning. Yesterday afternoon, Dr. William J. Hall, district medical officer, visited farms in Kings county that are the source of the milk supply used by families in the north end who are affected, and he found everything satisfactory. He said that there was a possibility of the milk being affected after leaving the supply depot, due to the present system of handling in the city. The officials are now fairly certain that the infection did not come from either the drinking water or the milk supply.

GOOD WEEK-END SERVICE.
An early morning train into the city will be run over the Valley Railway every Monday morning during the summer, beginning next Monday. It will thus be possible for week-end visitors to points along the river to leave St. John at 5:40 on Saturday afternoon and get back to the city about 5:30 daylight on Sunday morning. There has been an agitation the last two years for a daily suburban service, and the concession of a good week-end service has now been granted. People who desire to spend a Sunday on the Reach anywhere along river to Evansdale will thus have an excellent opportunity to do so.

MAURETANIA RECORDS.
On her latest trip across the Atlantic, the Cunard liner Mauretania broke record, according to a cable received at the local office this morning. She steamed from Cherbourg to New York in five days, nine hours and thirty minutes, an average of 24.68 knots. The previous record for this trip was twenty minutes more than the one just made. On Wednesday, June 21, the Mauretania steamed 629 miles, which is the best run she has made since her conversion to fuel oil. She also broke the record from quarantine to dock in New York harbor, making the run up in fifty-nine minutes. The record formerly held by the Aquitania was one hour.

GOOD PIECE OF WORK
On Thursday afternoon while a heavy automobile was climbing Waterloo street hill something went wrong and the car began to back down. As the heavy vehicle descended it increased its momentum, and it dashed into the congested traffic at the corner of Haymarket Square. At that time there were two street cars there and many people were about. The driver kept his head and skilfully steered the automobile backwards through the traffic and at the same time kept his klaxon sounding to warn pedestrians of the danger. The truck was travelling so fast that it was not brought to a stop until it had passed the railway tracks beyond the square. The driver then got out and after making some re-adjustments proceeded on his way. Spectators praised his skill and coolness. The driver and owner of the automobile was Joseph Milan, a popular member of St. Peter's baseball team.

ST. JOHN BRIDE
A despatch from Norwood, Mass., to the Boston Globe, dated June 20, says: "Miss Katherine St. Claire James, daughter of Mrs. T. R. James of St. John, N. B., and James B. Maguire of East Walpole, formerly of Rochester, N. Y., were married yesterday in St. Catharine's church, Rev. James F. Doherty, the pastor, officiating. The bride was given in marriage by her uncle, Michael O'Connor, and they were attended by Roland B. Wadsworth of East Walpole and Miss Lillian James, sister of the bride.

The bride wore white satin charmuse with train and veil caught up with orange blossoms, and carried an old-fashioned bouquet of roses and lilies of the valley. The bridesmaid wore butterscotch yellow crepe de chine with hat to match and carried roses and larkspur. The ushers were Phillips Hills and Edwin L. Rye, and the soloist was Mrs. Dorothy S. Foley.

"A wedding breakfast was served to immediate members of the families at Pineview, Dedham, and afterwards Mr. and Mrs. Maguire left for a wedding trip by auto to Bangor and Eastport, Me. Mr. Maguire is assistant foreman with Bird & Son, East Walpole, and for several years the bride was employed there as a stenographer. For several months she has been employed at the court house in Dedham.

PRESENTATION TO REV. T. MARSHALL

Banqueted by N. B. Temperance Alliance and Made Recipient of Purse.

(Special to Times)
Fredericton, N. B., June 24.—Rev. Thomas Marshall, vice-president of the New Brunswick Temperance Alliance, who has retired from his ministry in the New Brunswick and Prince Edward Island Methodist conference, was tendered a farewell banquet by the members of the alliance last evening in the vestry of the Methodist church. Appreciation of Mr. Marshall's work and personality was expressed and a well filled purse was presented to him as a gift from his friends. More than 100 sat down to the banquet. W. G. Clark of Fredericton, president.

J. Willard Smith spoke first in appreciation of Mr. Marshall's work as pastor and as a temperance worker for many years.

Rev. W. D. Wilson, general secretary of the alliance who has been associated with Mr. Marshall for many years, expressed regret that Mr. Marshall was to take up his residence in Montreal and paid a glowing compliment to the statesmanship and high qualities of Mr. Marshall.

Replying to his critics and to all the insinuations and veiled suggestions made concerning him during the time he was chief inspector and since he became general secretary of the alliance, Rev. Mr. Wilson defied any man to say truthfully that he had ever at any time departed from the path of duty and he decried that he had carried out his work to the full extent of his power. He took opportunity of saying that these statements concerning him were misrepresentations and common slanders.

Mr. Clark then presented the purse to Mr. Marshall and Mr. Marshall thanked his friends feelingly.

The following also gave addresses of appreciation, Rev. G. M. Young, Rev. Dr. Sutherland, Rev. G. C. Warren, Colonel Osborne, Moses Mitchell, ex-mayor, Rev. C. L. Fash and Rev. J. M. LeMont, all of Fredericton; Rev. E. A. Westmorland, of Taymouth, and Rev. J. J. Finkerton, of Marysville.

During the proceedings Donald Fraser arrived and gave an address in which he urged upon all those present the necessity of immediate action towards the consideration of the temperance people in the province.

C. P. R. WORK TO REPAIR DAMAGE FROM WASHOUTS

It was announced at C. P. R. headquarters this morning that from present indications the washouts between the company's bridge at Hartland and the bridge at Charlottetown, which were made by Monday morning. Some were so bad that piles will have to be driven before repairs can be made.

A bridge crane is en route from Montreal to the scene and is expected to arrive there before Monday. Repairs to the company's bridge at Hartland will then be started. An acetylene cutting machine is being operated today cutting away some of the iron which is jammed in parts of the bridge.

A material train of ten cars was made up here last night and sent forward to Hartland with thirty-five piles from fifty to fifty-five feet in length, a large number of stringers, timber, bridge caps, braces, etc. The piles were received from Commissioner Bullock of the Harbor and Fisheries department in order to facilitate the work of opening up the railway traffic in that area. Railway officials expressed appreciation of the co-operation of the city.

On Monday the transfer of passengers from Hartland to Woodstock will be reduced thirty miles to show distance around the damaged bridge. By Tuesday it is hoped to have conditions nearly normal. J. M. Woodman, general superintendent of the C. P. R., New Brunswick district, and District Engineer C. C. Kirby are at Hartland and are supervising repair work, etc.

On the Tobique sub-division repairs have been made as far as Wapke, but beyond that for three-quarters of a mile the water has been from one to eight feet deep over the rails.

FELL 25 FEET

Thos Halsall injured on King Street East and Has Close Call.

Thomas Halsall, Jr., working as a carpenter on a house in King street east yesterday, sustained injuries and had a close call from death when he fell twenty-five feet to the sidewalk. A piece of staging gave way under the weight of himself and a second man, Anthony Burke. The latter gripped an upright and was able to cling there, but Halsall plunged to the sidewalk. Fortunately he struck a board on his descent and this turned him about and he fell on his hands and knees.

The force of the fall pitched him forward and his head struck the sidewalk. His forehead is injured, his wrists strained and one knee severely hurt. He was attended by Doctor Ryan at his home in Russell street, and is reported doing well today.

ANTHONY-ECKEBRECHT.

St. Mary's church is very prettily decorated with ferns and lilies for the wedding of Miss Marie Henrietta Eckebrecht, daughter of Mr. and Mrs. Louis Eckebrecht of East St. John, to George Thompson Anthony of Red Head, by Rev. K. Taylor McKim, at three o'clock this afternoon. The bride and groom will be unattended. Miss Eckebrecht will be given away by her father. She will wear a charming traveling suit of navy blue, and fawn hat with navy blue lace and ermine trim, and will carry bouquet of American Beauty roses. Alfred J. Eckebrecht, brother of the bride, and B. O. Smith will be the ushers. The bride and groom will leave for a honeymoon trip to Boston and New York, returning by way of Montreal. They will reside at Red Head.
