

LOCAL NEWS

Henry Hubley was arrested in Digby yesterday on suspicion of having broken into a house at Brenton, Yarmouth county, and stealing a quantity of jewelry. When taken into custody he was booked passage on the Empress for St. John.

With Mrs. Arthur Kirkpatrick presiding, the King's Daughters held their postponed monthly meeting yesterday in the guild rooms. Reports of various committees were presented by Mrs. John Foster, Mrs. B. McLaughlin, Mrs. W. H. Rice and Miss Pratt.

The authorities in charge say there have been very few cases in which fraud has been practised by the returned soldiers in this city against the unemployment fund. Three men were suspended from the list because of false statements. The reports show that there is still considerable unemployment amongst the returned men. During the first week of this month 308 men were assisted from the fund.

The Philatelic class of the German street Baptist church held a delightful concert last evening in the institute under the direction of Dr. P. L. Bonnell, assisted by Miss A. Bisset, Miss M. Estabrook, Miss A. DeWolfe, Miss K. March and Stewart Smith. The following persons took part in the programme: Misses Hatfield, V. Penton, Butler, K. March and Beatrice Fleet, and Messrs. Smith, Parker, Field, Thomson, Stewart Smith and Dr. P. L. Bonnell.

William Lammon, son of Mr. and Mrs. James Lammon, Metcalfe street, has recently returned after a lengthy service overseas with the British forces. He tried to enlist here but was turned down and going to Liverpool he joined with a British unit which went to the Dardanelles. He served with the Black Watch in Mesopotamia and saw much of the campaign, being lucky enough to escape being wounded. He has been warmly welcomed by many friends.

Great Difference in Cost.
Think of the difference in cost between taking a professionally prescribed medicine and taking Hood's Sarsaparilla. You know that ordinarily it is considerable. In times like these when everybody should be economical it is well worth saving.

Hood's Sarsaparilla affords the least expensive of all treatments for the common everyday diseases or ailments of the blood, stomach, liver or kidneys. Many physicians use the same substances as its ingredients for these diseases and ailments, but these substances are better compounded in Hood's Sarsaparilla than they can possibly be in a prescribed medicine which is put up in a small way, with fewer facilities, and when the physician's fee is added costs a great deal more.

Hood's Sarsaparilla is prepared by skilled pharmacists in one of the largest and best equipped laboratories in the world, is wonderfully successful, and highly recommended to those who would recover health and strength with the minimum necessary outlay.

DEATH OF MRS. JANE CAMPBELL.
Many friends in Kings county and elsewhere will regret to hear of the death of Mrs. Jane Campbell, wife of the late Arthur W. Campbell who died at an advanced age about a year ago, which occurred at her home in Campbell settlement, Kings county, on Feb. 12, after a short illness from pneumonia. Mrs. Campbell was in the eighty-ninth year of her age, and until the time she was stricken, was active in mind and body. She was a life-long resident of Kings county, and was well known and beloved by all who knew her on account

Enjoyable Affair Under Auspices of Royal Arms Chapter.

The Knights of Columbus Hall was the scene of a very enjoyable affair last evening when a Valentine dance was given by the Royal Arms Chapter, I. O. O. F. The hall was tastefully decorated in keeping with the occasion, and a fine programme of dances was carried out. Supper was served in the dining room, which was also attractively decorated. About 500 people were present.

BANK ON SHIP.

Montreal, Feb. 14—(Canadian Press)—It is intimated from the local offices of the company with the sailing of the Cunard liner Imperator from Southampton for New York, on Feb. 21, a branch of the City and Midland Bank, London, Eng., will be opened on board to exchange money for passengers and to act as general financial business during the voyage.

"We never thought we would be forced to handle your line but popular demand was too strong," writes a conservative jobber in an upper province town.

Popular demand couldn't exist unless the object of the demand had merit.
