The treasurer has received \$1000 from the City Cornet Band, the Navy League's share of the Around-the-World Fair held in November, and the sum is much gratified at the excellent result. The annual meeting of the Dominion Council will open in Victoria on February 7. C. B. Allan, secretary, is the representative from New Brunswick, as the president is unable to attend. The January number of The Sailor reports Hamilton as having a total of 26,824 Navy League members, results of a special drive.

**A BIT DANGEROUS.**  
There have been numerous coasting accidents of late due to the especially heavy condition of the ice. In the old burying ground in the centre of the city little ones have been having a great time with their sleds and sledges, but the icy condition of the side-hill and the presence of so many gravestones in the path of the coasters make the sport dangerous. The smaller kiddies have been having a lot of minor casualties but unless steps are taken one of them may get a cracked skull.

**DELANEY-KNOX.**  
A very pretty wedding took place on Thursday evening, when Rev. P. E. Boesoy, pastor of Zion Methodist church, united in the bonds of matrimony Miss Beatrice May Knox and Harold Delaney. The principals entered the room to the strains of the wedding march played by Mrs. C. T. Jones. The groomsmen was the bride's oldest brother, Hazen Knox, while the bridesmaid was the groom's sister, Miss Nellie H. Delaney. Both groom and best man are returned soldiers and other military men were present. A sumptuous repast was served after the ceremony and many presents evidenced the good wishes of many friends. Mr. and Mrs. Delaney will make their home in Union street, this city.

The ceremony was performed by Rev. A. S. Bishop in the presence of a few relatives and friends. The bride was given away by her brother, Robert Chambers. She was attended by her cousin, Miss Priscilla Harris, while another brother, George Chambers, recently returned from overseas, supported the groom. Mr. and Mrs. Adams left on the 625 train for Waterbury, Conn., where they will make their home.

**BOYS GIVEN TREAT.**  
The boys of St. Patrick's Industrial School will remember Wednesday as a red letter day in the year 1919, as the result of a treat and entertainment given them under the auspices of the Y. M. C. I. The boys received a supply of candy, fruit, toys, gloves and sweaters from the institute through John Lunn, who was looking after the entertainment. In addition to Rev. C. F. Carleton, pastor of St. Joachim's church, Silver Falls, there were present His Lordship Bishop LeBlanc and Rev. A. P. Allen. The members of the school had prepared an interesting programme for the occasion and it was greatly appreciated by his lordship and all. The programme was under the supervision of Sister Benedict. The treat was to have been given at Christmas, but owing to the outbreak of influenza it was postponed. The boys have now nicely recovered from illness.

**PTE. GEO. RALPH DEAD IN ENGLAND**

Sad News to Wife Here, First Received by Letter, Today is Officially Confirmed

Mrs. George Ralph of 111 Britain street today received an official telegram from Ottawa announcing that her husband, Private George Ralph, had died in the Lord Derby War Hospital in England. The first intimation which Mrs. Ralph had of her husband's death was conveyed in a letter of sympathy which she received a short time ago from a cousin residing in England. Inquiries were made through Ottawa for confirmation and the telegram today received the last traces of hope.

Private Ralph, who was about thirty-four years of age, was employed with the C. P. R. at West St. John before enlisting. He went overseas with the 140th Battalion and was transferred to another unit with which he saw service at the front. He was taken ill last August but had recovered and it was thought that the return of the former illness may have been responsible for his death. Besides his wife he leaves four children.

**W. S. HARKINS BEREAVED**

News of Death of His Daughter Reaches St. John

Deep sympathy will be felt by their many friends here for Mr. and Mrs. W. S. Harkins in the loss of their daughter, Miss Lilla, who died on Monday night, Jan. 27, at the residence of her cousin, who is wife of Rev. W. J. Cox, in Philadelphia. A. K. Munde yesterday received from Mr. Harkins word of the illness of the latter's daughter, and today came the word of her death.

Miss Harkins, who was about twenty-five years of age, underwent a very serious operation a little more than a year ago and before she had fully recovered she entered Bed Cross work. The strain proved too much for her and she was ordered by her physician to take a long rest. About a fortnight ago she went to Philadelphia to visit her cousin and while she was there the whole family was stricken with influenza, which she also contracted, the attack resulting in her death. Funeral service was held in Philadelphia and the body was taken to New York, where it was laid to rest in the family lot in Woodlawn cemetery. Besides her deeply sorrowing parents, Miss Harkins is survived by one brother.

**HOME AFTER SERVICE WITH THE U. S. ARMY**

Sergt. Charles V. Lynch, youngest son of the late David Lynch, Paradise row, and brother of David, Frank and Fred Lynch of this city, and Harry of Ottawa, arrived home late last night from Camp Jackson, South Carolina where he was on the technical instruction staff of the artillery forces mobilized at that point for overseas duty, an army of more than 60,000 men.

The St. John boy joined Uncle Sam's forces in Boston where he was engaged in engineering work following his graduation from the University of New Brunswick. At Camp Jackson he instructed in map making and topographical studies. He enjoyed the work immensely but was disappointed at being retained on this side of the water for faculty purposes as he was keen to get into the scrum.

Lieut. Harry Lynch, the Ottawa brother, returned a few weeks ago with 800 men in his command by the first trip of the Aquatania. He, too, was engaged in technical work during the war, being attached to one of the Canadian railway construction units where his excellent engineering training was highly valuable to the army. Lieutenant Lynch has returned to his duties in the Department of Marine at Ottawa, headquarters.
