WANT CLEAN ICE

A correspondent of the Times, rejoicing that Judge Ritchie has put his foot down against the habit of spitting in public places, urges that action be taken to prevent all sorts of people from skating and spitting on the ice on Lily Lake, when the ice is to be sold to the public to keep their butter and milk cool in summer. "I hope," says this correspondent, "that we shall have clean ice next year."

THAT RIVER COLLISION

Toucheing the collision between the steamer Ocoee and the tug Winnie, to which reference was made in the Times yesterday, the captain of the Winnie writes that his boat was injured, and says that she will not lose an hour on that account. Neither was there any material injury to the Ocoee. He says that the captain of the Ocoee told him after the collision that he thought the Winnie was a tugboat with a raft. A tug with a raft, however, would show two lights, whereas he only showed one. Moreover if the captain of the Ocoee had whistled to indicate which side he desired to take, there would have been no collision. He says that the Ocoee was not making for Palmer's light, but was a mile and a half below it.

THE COUNTY FAIR AT MOOSEPATH NEXT WEEK

The annual exhibition of the St. John City and County Agricultural Society will be held at the society's grounds, Moosepath Park, on Tuesday of next week. As usual, prizes will be awarded for farm and draft horses, carriage horses, Ayrshire and Jersey cattle, and grades or mixed breeds, sheep, swine, poultry, produce, butter and fruit. This has been a good year for the farmers and a very fine exhibition is assured. While none of the prizes are large, there are many of them, and as usual the competition will be very keen. One of the most interesting exhibits at this fair is the domestic science department, or housekeeping, where samples of bread, cakes, preserves, and samples of knitting, sewing and other hand work are shown. Copies of the prize list may be secured from R. R. Patchell, secretary, 71 State street. The exhibition opens at 10 o'clock. In the afternoon exhibits of speed will be shown on the speed-way at the grounds.

WINTER PLANS FOR GIRLS' ASSOCIATION

The executive committee of the St. John Girls' Association held a business meeting on Tuesday evening to make arrangements for the winter's work. A programme for the different evenings was mapped out, and Miss Heffer has been engaged as physical instructor. Miss Pitt in reporting for the employment bureau, which has been started recently in connection with the Girls' Association, commented on the scarcity of efficient domestic help, and stated that although there was no fee for registration for maids the number of applicants from employers for help very greatly exceeded the number of applicants seeking situations.

The committee are making arrangements to observe Saturday, November 15, as Violet Day, and hope in this way to raise funds for carrying on this important work.

Shocking News for Mrs. Robinson On Arrival Here

Speaker at Baptist Convention Learns That Daughter, Young Nurse in Malden Hospital, Had Been Stabbed

Just a short time after she arrived in the city yesterday to attend the conference being held here this week by the New Brunswick Baptist Women's Mission Society, Mrs. C. A. Robinson, secretary of the Home Administration Department of that body, received a fearful shock on learning that her daughter, Miss Doris, had been stabbed while attending her duties as nurse in Malden, Mass., hospital. The first intimation Mrs. Robinson had of the accident was on reading the Times-Star in which was printed a despatch from Malden conveying the sad news that an unknown man had attacked her daughter and severely wounded her with a knife. Naturally she was greatly perturbed. Confirmation of the report had just been received by Mrs. W. E. McIntyre in response to a telegram of inquiry, but details were given Mrs. Robinson at once telegraphed to the superintendent of the hospital and received a wire last night saying that though the wound had at first been considered dangerous, her daughter was now out of danger and her condition satisfactory. The tidings brought great relief to the anxious mother.

Owing to the fact that Mrs. Robinson is travelling continually because of the duties of her office, it is thought that a message informing her of the affair had been sent to Hancock, Me., where she was supposed to have been on Monday. She did not receive it, as she had come to this city. In the message last night no further information was given. It is supposed that the man who committed the deed was insane, or that possibly he had some grudge against the hospital. He could not possibly have entertained a feeling of enmity towards Miss Doris, as she is but a young graduate of boarding school in her eighteenth year.

Both the friends of Mrs. Robinson and her daughter will be greatly pleased to learn that the young nurse is out of the danger zone. They are very well known through the maritime provinces, particularly about St. John, Fredericton, and Hopewell, but in many other places as well. Mrs. Robinson is a former Hopewell lady, and her daughter attended school in Fredericton for some time several years ago.

WANT W. A. QUINTON AS COUNTY COUNCILLOR

Delegation Waited on Him With Address Last Evening—He Accepts

Twenty of the ratepayers of the parish of Lunenburg, irrespective of creed or party, representing Beaconsfield, Fairville, Milford and Lorneville awaited on William A. Quinton last evening at his residence on the Manawagonish road and urged him to run for the office of councillor at the parish election, which takes place on the third Tuesday in next month. Mr. Quinton has decided to place his name in nomination and will be a candidate. The following address was delivered by H. Colby Smith, the candidate of the delegation.

"William A. Quinton, Esq.,

"Sir—You, no doubt, are aware to some extent why we are assembled here tonight. I trust, and I am, Sir, voicing the sentiments of the gentlemen present, that this visit will be productive of some benefit to the interests of this parish. Before I inform you of the true significance of this visit, permit me, Sir, to relate a few facts from the pages of the history of this parish. Your father, of illustrious memory, who was a resident of this parish, served in the legislature of this province with honor, not only to himself but to the province and his constituency as well. While it is not within my personal recollection, nor perhaps those of the gentlemen present with me or two exceptions, we know that he was always zealous in advancing the interest of this, his constituency.

"You followed in your late father's footsteps, and prior to the year 1892 served a term in the same legislative body. Your record on that occasion was an honorable one. You, Sir, were defeated when you came to the people for re-election through loyalty to a former colleague, which has been and is characteristic of you. You went down to an honorable defeat on a matter of principle.

"At the present time this parish, growing as it is, needs men of your integrity in the municipal council. We are proud to say that at the present time we have gentlemen who are giving excellent and unsolicited attention to the welfare of this parish. We, assembled here, representative of the rank and file of this community, are desirous that you shall allow yourself to be placed in nomination for the office of councillor at the ensuing election.

"We would feel it a very great honor, and this, the banner parish of the county of Saint John, will be more greatly honored if you will consent to be a candidate."

Mr. Smith then read letters from a number of prominent citizens of the parish pledging their support to Mr. Quinton. Councillor John W. Long, who will not seek re-election, wrote pledging himself to do all in his power for Mr. Quinton.

After informal addresses were delivered by Percy W. Wetmore, George N. Kennealy, John Joyce, George M. Melanson, Councillors Bryant and Goding, R. Walter Dean, E. J. Neve, William Ruddick, Fred Johnston, and others. Games were indulged in, and shortly before leaving the party sat down to a sumptuous repast. A short toast list was taken up and speeches were made by those present.

THE OLD FORESTERS

In the Times yesterday a member of the Independent Order of Foresters, who joined the order in 1898, said that there was a much higher rate than formerly paid by him now to be collected, he will only be insured for \$840 instead of \$1,000. Another member of the order said today that this man was insured for \$1,000, but that he was now only insured for \$740. Still another member, who believed himself to be insured for \$1,000, finds that he is only insured for \$610, and that to retain this he will be compelled to pay \$129 per month more than he paid previously when he was insured for the full amount of \$1,000.
