

other schools in the city ; and also, the devising of some plan for a thorough canvass of the city for scholars to our various schools, similar movements to those which have been made, and attended with so much success in London, Birmingham, Liverpool, Manchester, and in other cities and towns of our native land.

In concluding our report, at the present time, we would avail ourselves of this opportunity to congratulate those friends of the young, who purpose taking part in the Convention of Sabbath School Delegates, which is to take place in Kingston during the present week, and while, as a body, we have refrained from taking any part therein, we wish them success ; and trust that a calm, deliberate and prayerful spirit may possess each soul ; that the peaceful and heavenly influences of the Holy Spirit may rest upon them ; and that they may have God speed.

A. T. McCORD, *President.*

GEO. HARCOURT, *Secretary.*
