

Representative and Champion of American
Prospectus for 1875—EIGHTH YEAR.

THE ALDINE, THE ART JOURNAL OF AMERICA.

ISSUED MONTHLY.

A MAGNIFICENT CONCEPTION, WONDER-
FULLY CARRIED OUT.

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures which so invariably attended each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

The national feature of THE ALDINE must be taken in no narrow sense. The art is cosmopolitan. While THE ALDINE is a strictly American institution, it does not confine itself exclusively to the reproduction of native art. Its relation is to cultivate a broad and appreciative taste, one that will discriminate only on grounds of intrinsic merit. Thus, while placing before the patrons of THE ALDINE, the leading characteristic, the productions of the most noted American artists, attention will always be given to specimens from foreign sources.

The artistic illustration of American scenery, original with THE ALDINE, is an important feature, and its magnificent plates are of a size more appropriate to the satisfactory treatment of details than can be afforded by any inferior page. The judicious interpretation of landscape, marine, figure, and animal subjects, sustain an unimpaired interest, impossible where the scope of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful accompaniment, worthy of the artistic features, with only such technical disquisitions as do not interfere with the popular interest of the work.

PREMIUM FOR 1875.
Every subscriber for 1875 will receive a beautiful portrait, in all colors, of the same size as the dog whose picture in a former issue attracted so much attention.

"MAN'S UNSELFISH FRIEND"
will be welcome in every home. Everybody loves such a dog, and the portrait is exchanged so soon to the lot, that it seems the veritable presence of the animal itself.

Besides the chrome, every advance subscriber to THE ALDINE for 1875 is constituted a member, and entitled to all the privileges of THE ALDINE ART UNION.

The Union owns the originals of all THE ALDINE pictures, which, with other paintings and engravings, are to be distributed among the members. To every series of 50,000 subscribers, 100 different pictures, valued at over \$2,500 are distributed as soon as the series is full, and the awards of each series are made to be published in the next succeeding issue of THE ALDINE. This feature only applies to subscribers who pay for one year in advance. Full particulars in circular sent on application enclosing a stamp.

VINEGAR BITTERS

Dr. J. Walker's California Vinegar

Bitters are a purely Vegetable preparation,

made chiefly from the native herbs found

on the lower ranges of the Sierra Nevada

mountains of California, the medicinal prop-

erties of which are extracted therefrom

without the use of Alcohol. The question

is almost daily asked, "What is the cause

of the unparalleled success of Walker's Vin-

egar Bitters?" Our answer is, that they remove

the cause of disease, and the patient recov-

ers his health. They are the great blood

purifier and a life-giving principle, a perfect

Renovator and Invigorator of the system.

Never before in the history of the world has

a medicine been compounded possessing

the remarkable qualities of Walker's Bitters

in healing the sick of every disease man is

heir to. They are a gentle Fungicide as

well as a Tonic, relieving Congestion or In-

flammation of the Liver and Visceral Organs,

in Bilious Diseases.

If men will enjoy good health, let

them use WALKER'S BITTERS as a medicine,

and avoid the use of alcoholic stimulants

in every form.

S. H. McDONALD & CO.,

Druggists and General Agents, San Francisco, California,

and cor. Washington and Charles Sts., New York.

Sold by all Druggists and Dealers.

No Person can take these Bitters

according to directions, and remain long

unwell, provided their bones are not de-

stroyed by mineral poison or other means,

and vital organs wasted beyond repair.

Grateful Thousands proclaim Walker's

Bitters the most wonderful Invigorant that

ever sustained the sinking system.

Bilious, Remittent, and Intermit-

valleys of our great rivers throughout the

United States, especially those of the Mis-

Savannah, Roanoke, James, and many others,

with their vast tributaries, throughout our

entire country during the Summer and Au-

turn, and remarkably so during seasons of

unusual heat and dryness, are invariably

accompanied by extensive derangements of

viscera. In their treatment, a purgative,

exerting a powerful influence upon these

various organs, is essentially necessary.
