Loss of Life in Railway Wreck in Spain Greater Than First Supposed. Madrid, June 29 .- Fourteen bodies and 50 injured persons have been ex-tricated from the wreck of the Bilbao train, which overturned at Nejerilla

tiver last night. According to official information, 30 persons were killed and 60 others seri-ously injured. Many of the latter will die. Of the 300 passengers on the train, it is stated that only six escaped un-hurt. The train, which was composed of two engines and 16 coaches, was crossing the bridge when the couplings between the engines broke. The second engine left 'the track and fell, followed by the entire train, into the bed of the river. Fortunately the water was low.
