THE ROYAL TOUR.

Duke and Duchess Speeding East-
ward to the Lakes Today.

WINNIPEG, Man., Oct. 8.—The Duke and Duchess of Cornwall and York bade farewell to the west yesterday, and are once more speeding eastward on their special train. They will reach the lakes today, and on Thursday afternoon will be in Toronto. The Royal special reached Winnipeg at 5:10 yesterday afternoon and made a stop of half an hour, during which the Duke and Duchess visited the Ogilvie flour mills. A crowd of several thousand gathered about the depot and cheered the royal couple as they left their car and again when they returned.

The Duke is reported to have shot about a hundred ducks in two days at Senator Kercheffer's shooting reserve.

TO PUT DOWN ANARCHY.

NEW YORK, Oct. 8.—The Association of the Bar of City of New York has just adopted a memorial on the death of President McKinley. In part it says:

"The members of the profession assembled in the administration of justice, we declare our conviction, in view of the tragedy, occurrence, which we so deeply deplore, that never in the history of this nation has it been of more vital importance that just laws be enacted, immediately and firmly, to protect, that with its preservation of free speech and wholesome criticism of public measures and methods of public administration, reckless agitation and the glorification of lawless violence be repressed."

TO AVENGE THEIR COMRADES.

MANILA, Oct. 8.—General Smith sailed from here today for the relief of the Island of Samar. He will take command of Samar, so to enable Genl. Hughes to devote himself to the Island of Cebu, where trouble is possible, unless strong measures are adopted. Genl. Smith will be accompanied by a battalion of the Seventh Infantry, who are anxious to avenge the disaster to company "C" of the Ninth Infantry. Further accounts from Samar received here show that horrible indignities were perpetrated on the dead bodies.

MISS STONE'S CAPTORS.

CONSTANTINOPLE, Oct. 8.—A trustworthy report locates Miss Stone's abductors on the summit of a mountain at Gultepe on the Turkish-Bulgarian frontier near Dubinita. It is said that the kidnaping band numbers eighteen. Arrangements have been made to surround the mountain with Turkish and Bulgarian troops. It has been suggested that the abductors of Miss Stone are members of the old Macedonian committee, actuated by motives of jealousy, and that they are endeavoring to accomplish the downfall of the present committee. The Bulgarian government has promised to act vigorously.

ST. PETERSBURG, Oct. 8.—Consul General Peterson has applied for a passport for Prince Ferdinand, but it has not yet been granted. The prince has gone to the country. No news has been obtained of Miss Stone since her recent letter to Mr. Haskell.

The Bulgarian troops and police are actively scouring the frontier.

TWO MEN KILLED.

SAN DIEGO, Calif., Oct. 8.—Two men were killed in a saloon here last night. James A. Posey, proprietor of the place, and Quinlan, owner of a saloon, got into a quarrel. They drew their revolvers and fired simultaneously. Both were killed.

THE NEW AMER.

SMILTA, Oct. 8.—Abdurrahman Khan is dead and Habibullah Khan has been officially proclaimed amir. The accession has been accepted by his brothers and the sirdars. All is quiet at Kabul.

The surveying party who are locating the route of the new railway from Chipman to Gibson are now approaching the latter place. It is not yet known just where the new line will cross the Nashwaak river, but probably not far above Gibson. The project entertained some time ago of crossing the Nashwaak at Peniac on the same bridge as is used by the Canadian Eastern railway has been abandoned, and the new company will erect its own bridge across the river. The terminus of the railway will not be at Gibson, either, according to present intentions. The line will cross the St. John river on the present railway bridge, and it is probable that the present Canada Eastern station at the corner of Brunswick and Sundry streets will be enlarged and remodeled and be used by both the Canada Eastern and the New Brunswick Coal and Railway companies.

THE WEATHER.

TORONTO, Oct. 8.—Fresh to strong winds, fair to cloudy, southerly winds, fair and moderately warm.

WASHINGTON, Oct. 8.—Eastern states and northern New York—Showers tonight, probably Thursday cooler; Thursday, fresh south winds.

WOODBRIDGE, Ont., Oct. 8.—Hon. N. Clarke Wallace died at 10:15 tonight. Death resulted from pericarditis, a family after a lingering illness of several weeks. He leaves a widow and a large family. A son, Captain Thomas Wallace, gained laurels in the South African campaign.

NOVA SCOTIA MURDER.

Uncle of I. H. Kaplan, of this City, Found Shot Through Head—Cause a Mystery.

On Monday evening Nathan Kaplan, a Jew, doing business at Clark's Harbor, N. S., was shot through the head fatally. He was 37 years of age and leaves a widow and eight children, seven of which, with their mother, are in Russia. Thus far no light has been thrown on the tragedy, although it is reported that a young Jew is suspected. Israel H. Kaplan, general clothier of No. 26 Mill street, is a nephew of the murdered man, and will probably leave for Yarmouth today and from thence to Clark's Harbor.

FOR SOCIAL PURITY.

CHICAGO, Oct. 8.—With an earnest appeal for the abolition of the state regulation of vice, the National Purity convention opened last night in the First E. church. Rev. O. E. Edwards, pastor of the church, presided. Maurice Gregory of London, who represents the English societies engaged in the movement, delivered an address and read fraternal greetings from workers in London. Mormonism was the subject of an address by Rev. William R. Campbell of Salt Lake City, editor of The Kinsman.

CHICAGO, Oct. 8.—Methods of abating social evils and placing the human race on a higher level of purity were discussed by speakers at today's session of the National Purity convention. Charles A. Mitchell, of Marionville, Mo., argued earnestly for parental watchfulness over boys in the period when their characters are forming. A paper entitled "The white slave trade in Europe," was read by W. A. Coote, of London. Other speakers were Mrs. F. A. Drake, of Denver; Dr. Carolyn Gelzer, of the rescue department, W. C. T. U.; J. B. Caldwell, of Chicago; Dr. Mary Wood Allen, Ann Harbor, Mich.; and Helen S. Dorr, late of Bombay, India.

AUSTRALIA'S TARIFF.

MELBOURNE, Aus., Oct. 8.—In the federal house of representatives today the commonwealth tariff bill was introduced by the Right Hon. Charles Cameron Kington, minister of trade and commerce, who congratulated the house that from this moment free trade existed among the states of the commonwealth. Mr. Kington announced that the government intended to introduce a system of bonuses in order to encourage the establishment of new industries.

MELBOURNE, Aus., Oct. 8.—The commonwealth tariff bill introduced in the federal house of representatives by Mr. Kington, minister of trade and commerce, in addition to the duties on imported goods, provides for the following duties: Sparkling wines, 12 shillings per gallon; other wines, bottled, 3 shillings, in bulk six shillings; manufactured tobacco, 3 shillings six pence per pound; imported leaf tobacco, 1 shilling 6 pence per pound, excise 1 shilling; cigars, 5 shillings 6 pence, plus 10 per cent ad valorem; cigarettes, 6 shillings 4 pence per pack, imported, 28 per ton, excise 28 with a rebate of 22 if grown by white labor only; cotton and linens, 10 and 15 per cent; furniture, 10 per cent.

LORD ROBERTS SPEAKS.

LIVERPOOL, Oct. 8.—Lord Roberts, after distributing medals to the troops today, alluded to the concern of the nation over South African affairs, and to the actions of the press on the government for not doing more. The government, he said, relied on Lord Kitchener, whose every request for men, horses and stores had been complied with. He exhorted the people to be patient.

BRIEFS BY WIRE.

King Edward has repurchased his former racing cutter Britannia from Sir Richard Bullock.

CHIPMAN-GIBSON RAILWAY.

Line is Now Surveyed Nearly to the Gibson Station—Work on the Railway Commenced.

(Gleaner.)
The surveying party who are locating the route of the new railway from Chipman to Gibson are now approaching the latter place. It is not yet known just where the new line will cross the Nashwaak river, but probably not far above Gibson. The project entertained some time ago of crossing the Nashwaak at Peniac on the same bridge as is used by the Canadian Eastern railway has been abandoned, and the new company will erect its own bridge across the river. The terminus of the railway will not be at Gibson, either, according to present intentions. The line will cross the St. John river on the present railway bridge, and it is probable that the present Canada Eastern station at the corner of Brunswick and Sundry streets will be enlarged and remodeled and be used by both the Canada Eastern and the New Brunswick Coal and Railway companies.

Work at the roadbed has already commenced near the Chipman end. James Barnes, M. P. E., has the contract for building the whole line, and is sub-letting the work in short stretches of two or three miles so as to facilitate operations. Work will be vigorously pushed just as long as the weather will allow, and it is expected to be the new line opened and in running order early next summer.

THE EXCEPTION.

"Politeness is never wasted," remarked the man of Chesterfield manners.
"Well, mister," answered the rough-clad, weather-beaten person, "that may be true in your part of town; but was in the canal-boat business you'd know that there ain't any use whatever of sayin' 'please' to a mule."—Washington Star.

CANADIAN BRIEFS.

The Duke and Queen's University—A Suicide—Canadian Sheep at Buffalo.

KINGSTON, Ont., Oct. 8.—It has been decided the conferring of the honorary degree upon the Duke of Cornwall and York by Queen's University will take place in the open air. Vice-President John Watson will present the duke to the chancellor, Sir Sanford Fleming, to have the degree conferred.

TORONTO, Ont., Oct. 8.—David B. Purden, a railway promoter, was committed for trial in the police court yesterday on the charge of fraud. The complainant in the case was Samuel Johnston, a contractor, who claims Purden and another promoter named Allison, belonging to Winnipeg, defrauded him out of four hundred dollars in cash and sixteen hundred in promissory notes in connection with a railway contract.

The results of the judging of sheep at the Pan-American have been received by the department of agriculture. As in the case of cattle and swine, Canadian exhibitors were highly successful, carrying off about sixty per cent. more prize money than the Americans.

DELLAVILLE, Ont., Oct. 8.—A. P. Brant, an Indian, and his wife were sentenced here yesterday to one year and three months respectively, for inciting Brant's brother to commit arson.

BOSTON MERCHANT'S DEATH.

NEW YORK, Oct. 8.—Melvin H. Heilburn of Boston jumped or fell from a window on the eleventh floor of the Herald Square hotel this morning and was instantly killed. Manager Saunders of the hotel said that Heilburn was frequently stopped there and was known to have complained of cramps. He believed that the man had been taken with cramps, gone to the window and fallen out. Mr. Heilburn was proprietor of a ladies' furnishing goods store at 180 Tremont street, Boston, and lived in Brookline. Nothing was known at the Boston store to throw light on the death of the man. He went to New York on business.

FABULOUS FIND OF GOLD.

TUCSON, Ariz., Oct. 8.—Charles R. and Porter W. Fleming, of this place, have arrived here from the Gallatin mountains where they report a remarkable gold discovery. The rich find is located seventy miles north of Tucson and the vein of ore, according to the Flemings, is 200 feet wide and six thousand feet in length. A canon cuts through the vein for 200 feet, exposing the ore on either side. The Fleming brothers assert that the entire length of the cut from the bottom of the canon to the surface the outcroppings of ore will run from \$5 to \$10,000 to the ton. They estimate the amount of gold in sight at the enormous sum of \$7,000,000.

ESTIMATES OF FIRE LOSSES.

CHICAGO, Oct. 9.—Believing that the fire which last night wiped out the Peabody Coal company's yards at Kinross and did other serious damage was of incendiary origin, Fire Inspector Conway today began an investigation. Revised estimates of the losses make the total loss \$585,000, divided as follows: Peabody Coal Co., \$345,000; the six-story building and contents occupied by the Davidson Marble Co., the Globe Heat and Light Co., and the Welshback Lighting Co., \$200,000; Chicago and Northwestern railway freight shed, rolling stock, \$30,000. The various companies carried full insurance.

HERE'S A WONDER.

LONESVILLE, Ky., Oct. 8.—The engagement of Miss Fattie Burnett Ellison of this city to Sir Charles Henry Lothart Ross of England is announced. Miss Ellison's position among the titled brides is unique, for she has no considerable fortune. She is the granddaughter of General Charles Scott, the third governor of Kentucky, and a general on Washington's staff. Sir Charles is said to be the third largest land owner in Great Britain.

FOREIGN MISSIONS.

HARTFORD, Conn., Oct. 8.—Rev. Lyman Abbott, D. D., of New York, conducted the devotional exercises which preceded the opening of this morning's meeting of the American board of commissioners for foreign missions. D., of Kansas City, Mo., vice-president of the board, being the most notable feature of the session.

THOSE CATTLE RESTRICTIONS.

EDINBURGH, Oct. 8.—Replying to an influential delegation representing Scottish agricultural interests, the president of the board of agriculture, Mr. Hanbury, said today that so long as he was president of the board he would never consent to the removal of the restrictions on the importation of Canadian cattle.

ARCHITECTS INCLUDED.

(Chicago Post)

"Then there architects," said Uncle Hiram, when he returned from the city, "are in cahoots with the confidence men and the thieves."
"You don't say!" exclaimed Aunt Hannah. "Are you sure, Hiram?"
"Sure, I'm sure. They make the building's so high that when you just naturally try to look up at 'em you can't tell what's been done to your pockets."
"What did you lose, Hiram?" asked Aunt Hannah, anxiously.
"The old silver watch and the 28 cents I had loose in my pocket."
