At Bobbili the regular work has been carried on as usual. The missionary there, Mr. Churchill, speaks of the re sults of his year's work as meagre and discouraging. This, however, is due to the fact that his time has been largely taken up in superintending the preparation for the foundation of a mission bungalow at Rayagadha.

At Chicacole, Mr. Archibald reports successful year in all departments. The church services have been extraordinarily well attended. Of the six converts baptized, two were Brahmins and two from the lower castes. Mr. Archibald speaks very highly of the work of the lady missionary, Miss Mabel Archibald, who has had the direction of the work among women and children. Miss Archibald says of the seven years spent in India, the last year has been the richest in varied and deep experience.
